Lake Orion Community Schools Request for ELD Program Withdrawal/Denial of Enrollment

Date _____ School _____

Student Name _____

WIDA Overall Proficiency Level: _____

Dear Parents,

Lake Orion Community Schools provides ELD supplemental service to selected students who come from language backgrounds other than English. Above is your child's English Language Proficiency level. Based on enrollment information and your student's WIDA level, your student qualifies for ELD services. This program supports classroom instruction and provides additional opportunities for students' academic growth and language proficiency.

It is your right as a parent to withdraw your child from ELD services. If you DO NOT want your child to receive the services, you can withdraw your child by filling out the information below and returning this letter to your child's school.

Please note that our federal government mandates the continued testing of any student, active or parent exited, whose home or primary language is other than English, until that student demonstrates proficiency on the WIDA ACCESS for ELLs annual assessment.

If you need additional information, please contact your child's school.

Sincerely,

Carol Burke

District ELD Coordinator
