Webber: Your Story Starts Here

Principal's News

Webber Families,

The Webber Wiggle was amazing today! Please check out Webber's Facebook and Twitter pages for pictures. Thank you to all of the families that will be donating to this event, we appreciate your support! The funds raised will help pay for field trips, classroom supplies, family events, and a lot more.

Lake Orion Community Schools' November Bond Proposal Election is only a few weeks away on Nov. 6, 2018. As a district, we want as many community members as possible to understand the proposal and have all of the accurate information. All of the documents and video presentations are available on LOCSBond.org. A direct link to the Bond Proposal video is available at https://goo.gl/cNg5Y3. Please share this with your friends and neighbors.

Please let me know if I can help with anything. Have a great weekend! Go Dragons!

Jennifer Goethals

Lake Orion is excited to continue their relationship with Kids Standard Magazine. Kids Standard Magazine is a non-profit organization, where their main activity is the publication of a monthly magazine, Kids Standard. Over the past two and a half years, Kids Standard Magazine, which publishes work of local children, parents, and educators, has featured the work of over 400 students and educators in Oakland County. The Mission of Kids Standard Magazine is to empower children to become independent learners through reading, writing, and the arts!

To become a monthly subscriber and to check out writers from Lake Orion and Oakland County click on the link:
https://www.kidsstandard.org/magazine-subscription/

Check us out on Facebook and Twitter for pictures taken throughout the week!

Reminder: Please label all of your child's belongings, so that if something gets misplaced we can return it to them.
