ProCare App Enrollment

Children attending the Early Childhood Center and School Age Childcare Programs must use the ProCare system to sign children in and out every day of attendance. Please list all approved emergency contacts with the security clearance to drop off or pick up your child (as listed on the student information/emergency form).

The office will enroll the listed below into the ProCare program. Once approval is received, users must download the ProCare App to begin using the system.

Student Name: _____

Name (Parent #1): _____Relationship: _____

Email Address: _____

Name (Parent #2): _____ Relationship: _____
