NOTE FROM STAFF
We understand there are challenges in these uncertain times and our school staff wants to support our students, even from a distance. Please check in anytime students feel the need. Their academic, social, emotional, and mental health remain the most important part of our job. Please know that email sessions will be private on our end, but that being at home can cause a lack of privacy due to close quarters.

GOALS
To Provide:
- School emotional support check-ins
- Social and emotional support and learning.

PROCESS
- Email any staff member below or use Remind
- Share concern, time to begin email exchange.
- Staff will confirm time works.
- Begin meeting at designated time.
