CARECREDIT.COM CareCredit is a personal line of credit for healthcare treatments and procedures for your entire family, including your pets. It works like a credit card but it has two advantages. It can only be used for healthcare services and you can get No Interest* financing every time you use it. Simply pay your minimum monthly payment and pay off the entire balance by the end of your promotional period and you pay No Interest. If you need more time to pay for your procedure, you can take advantage of our extended payment plans with low, fixed interest rates. www.carecredit.com
