DIRECTORY INFORMATION

Directory information can be provided upon request to any individual, other than a for-profit organization, even without the written consent of a parent. Parents may refuse to allow the Board to disclose any or all of such "directory information" upon written notification to the Board. The Board designates the following as directory information:

- a student's name, address and telephone number
- a student's photograph
- a student's birthdate and place of birth
- a student's participation in School District related programs and extracurricular activities
- a student's academic awards and honors
- a student's height and weight, if a member of an athletic team
- a student's dates of attendance and date of graduation

ARMED FORCES

Male students age eighteen (18) or older they are required to register for the selective service. Students can register as part of a driver's license application at a Secretary of State office, with Selective Service online at www.sss.gov, any U.S. post office, or on application forms for Federal Student Financial Aid.

The Board shall provide United States Armed Forces recruiters with at least the same access to the high school campus and to student directory information (names, addresses, and telephone listings of secondary students) as is provided to other entities offering educational or employment opportunities to those students. "Armed forces of the United States" means the armed forces of the United States and their reserve components and the United States Coast Guard.

If a student or the parent or legal guardian of a student submits a signed, written request to the board that indicates that the student or the parent or legal guardian does not want the student's directory information to be accessible to official recruiting representatives, then the officials of the school shall not allow that access to the student's directory information. The Board shall ensure that students, parents and guardians are notified of the provisions of the opportunity to deny release of directory information. Form denying release of directory information to recruiters is on the LOHS website. Please see the link below.

[LOHS Directory Information-Not Release to Military Recruiters](#)

TRANSFER OUT OF THE DISTRICT

Parents must notify the student's counselor about plans to transfer their child from Lake Orion High School to another school. The transfer will be authorized only after the student has completed all necessary withdrawal paperwork, returned all school materials and paid any fees or fines that are due. School records may not be released if the transfer/withdrawal is not properly completed. Parents are encouraged to contact the student's counselor for specific details. If a student's family moves out of the Lake Orion School District, the student is permitted to continue attending Lake Orion High School for the remainder of that semester; however, the family must provide transportation to and from school. The school must be informed of the new home address and telephone number. At the end of the semester, the student will be required to transfer to the school District of the new residence.

School officials, when transferring student records, are required to transmit disciplinary records including suspension and expulsion actions against the student.

WITHDRAWAL FROM SCHOOL

No student under the age of eighteen (18) will be allowed to withdraw from school without the written consent of his/her parents. Students must complete all required withdrawal paperwork, return all school materials and pay any fees or fines that are due prior to withdrawal.

EMERGENCY SCHOOL CLOSING

Occasionally it is necessary to close school when conditions exist that are detrimental to the health or safety of students and staff. The decision to close

schools is made by the superintendent. For the latest information on school closing and emergency events as they happen, check:

- School Messenger
- Lake Orion Schools website- www.lakeorion.k12.mi.us
- Radio Stations – 760 WWJ & 950 WJR
- TV Stations – Channel 2, 4, 7 & 50
- Twitter: @LkOrionHS
- Facebook: Lake Orion High School

We will attempt not to send students home after school has started. However, on rare occasions it may become necessary to dismiss school early. Parent(s)/Guardian(s) should discuss the possibility of early dismissal with their son/daughter to make sure arrangements are made in advance.

PARENT INVOLVEMENT

Parental support and involvement is critical to the success of a high school. Lake Orion has a tradition of positive parent, guardian and community involvement in many aspects of school life. Parents may become involved through various committees and support organizations throughout the academic year. Please contact the Main office for more information.

ACADEMIC RECOGNITION

ACADEMIC RECOGNITION

Lake Orion High School recognizes academic achievement in many ways. An honor roll is published at the high school and in the local newspaper. This honor roll acknowledges any student who achieved a 3.2 grade point average for the term. (Term GPA is based on completed courses only, not courses in progress. Credits for skinny courses are earned after Terms 2 and 4.)

Seniors receive special awards and recognition during Lake Orion High School's yearly honors and commencement ceremonies. These awards and recognitions include Academic Cords for GPA achievement and membership in academic or curricular organizations. The criteria for these honors and recognitions include:

- Grade Point Average
- Direct affiliation with a specific LOHS Course/Curriculum
- Academic based organization (National, State, etc.)

BOARD OF EDUCATION

LAMP OF LEARNING ACADEMIC AWARD

The awards earned in grades 9-12 are not earned by grade level, but rather in a four-step process. Therefore, the student must earn each award in order, regardless of his/her current grade level.

Each year a high school student earns a 3.5 GPA or higher, he/she receives an academic award.

- Freshmen receive a Ribbon if a 3.5 GPA was maintained in 8th grade.
- Sophomores receive an Academic Letter if a 3.5 GPA was maintained in 9th grade.
- Juniors receive an Academic Letter or Bronze Pin if a 3.5 GPA was earned in 10th grade; or by maintaining a 3.5 **cumulative** GPA for 9th and 10th grades combined.
- Seniors receive an Academic Letter, Bronze Pin or Silver Pin if a 3.5 GPA was earned in 11th grade; or by maintaining a 3.5 **cumulative** GPA for 9th, 10th and 11th grades combined.
- Seniors (spring ceremony) receive their final award – an Academic Letter, Bronze Pin, Silver Pin or Gold Pin – if a 3.5 GPA was earned through the third term of their senior year; or by maintaining a 3.5 **cumulative** GPA for 9th, 10th, 11th grades and through the 3rd term of 12th grade combined.

Awards are earned based on the work of the entire school year and are given out in the fall of the following academic year (i.e. an award earned in the 8th grade is given out in the fall of the 9th grade; the award earned as a freshman is given out in the fall of the sophomore year, etc.). Students who attend the International Academy are not eligible for the Lamp of Learning Awards.

ACADEMIC HONORS FOR GRADUATION

Students are honored for their hard work and academic achievement. This designation will be based on the overall cumulative GPA following the completion

of a senior's third term. Our three-tiered recognition program for seniors is as follows:

Summa Cum Laude	3.900 and above	(Gold cord)
Magna Cum Laude	3.700 - 3.899	(Silver cord)
Cum Laude	3.300 - 3.699	(Green & white cord)

ACADEMIC INFORMATION

ACADEMIC UPDATE - PROGRESS REPORT INFORMATION

Faculty will complete academic updates for all students regularly throughout the term/semester. Parents/guardians will be contacted by faculty through means such as phone calls and/or electronic communication when a student is failing a course. Any questions concerning the student's successful completion of the course should be discussed with the instructor.

Grades for courses taught on a skinny schedule will have progress grades at the end of **Term One** and **Term Three**. **Final grades** for skinny courses will be graded at the end of **Term Two** and **Term Four**.

GRADING STANDARD GUIDELINES

The following GRADING STANDARD GUIDELINES have been developed for the purpose of reflecting the evaluation of the student's progress in a consistent manner within the district.

Teachers shall develop personal grading scales within the guidelines listed below. They shall discuss their grading scale with their students in order that students may become fully aware of the teacher's evaluation procedure.

Each course will have final assessments worth no more than 20% of the final grade. These final assessments can be administered at the teacher’s discretion. Block classes will have a final grade at the end of each term. Skinny classes will have a progress grade at the end of the term and a final grade at the end of the semester.

ISSUING CREDIT AND GRADES IN COURSES

The term grade in a course is determined by the teacher based on work done by the student. This work includes tests, quizzes, homework, daily assignments, and other forms of assessments. Other subjective factors such as classroom participation and the student’s ability to work with peers are considered. There are several ways a student can earn credit and pass classes (**Please refer to the chart below for clarification.**)

SCENARIOS

1. A student is passing the course. The student fails the final exam. If the student’s final grade is passing, the student receives the passing grade and the credit.
2. A student is passing the course. The student fails the final exam. If the student’s final grade is failing, the student receives the failing grade and does not receive the credit.
3. A student is failing the course. The student passes the final exam and raises the final grade to passing. The student receives the passing grade and the credit.
4. A student is failing the course. If a student scores 80% or higher on the final exam, the student receives credit for the class and is issued a grade of “P”.

GRADE BEFORE FINAL EXAM	GRADE ON FINAL EXAM	FINAL GRADE IN COURSE	END RESULT
1. Passing	Failing	Pass	Credit
2. Passing	Failing	Fail	No Credit
3. Failing	Passing	Pass	Credit
4. Failing	80% or Higher	Fail	Credit
5. Failing	79% or Lower	Fail	No Credit

*The student who earns a failing grade in the course may only attempt the final exam once.

ACADEMIC APPEALS

The following procedure is to be followed if a student and/or his/her parents request a change in a grade assigned by a teacher.

- A. The teacher is to be contacted by the student or parent to discuss the reasons the grade should be changed. If the teacher concurs, the grade change is made by the teacher and the principal is notified of the change.
- B. If a teacher does not concur in the grade change, the student or parent may request a meeting with the principal. The principal shall arrange for the meeting which will include the teacher, the student and/or his/her parents, and the principal. If the student or parent requests an attorney be present, the District's attorney may also be in attendance. If the student and/or parent comes to the meeting with an attorney without previously informing the principal that their attorney would be present, the hearing shall be rescheduled to a date when the School District's attorney can also be present.
- C. The principal will chair the meeting and inform participants of the meeting guidelines:
 - 1. The student and/or parent will present reasons for the grade change.
 - 2. The teacher will present reasons for the continuance of the grade.
 - 3. The principal and attorneys (if present) may question both parties while both are in attendance.
- D. The principal's decision may be appealed to the Superintendent in accordance with the procedure described in Board Policy.

GRADE REPORTS

Grade Reports are an indication of a student's progress and success in school. The present grading system in use at Lake Orion High School is as follows:

A - Excellent	E - Failure
B - Good	P - Pass/credit issued
C - Average	NC - No credit but passing at time of withdrawal
D - Below Average	I - Incomplete
	W - Withdrawal

Grade Reports are available online for students and parents within ten (10) days after the completion of each ten (10) week term.

NO CREDIT

If a student is required to drop a class after fifteen (15) days into the marking period due to an accident, illness or other reasons beyond his/her control and is passing the class, he/she will be assigned an "NC" which will not be factored in the student Grade Point Average.

If a student is failing at the time of the withdrawal, he/she will receive an "E." Before an "NC" grade can be assigned, it **MUST** be authorized by an administrator.

INCOMPLETES

Teachers may assign this grade with administration's approval in the event that a student, due to unusual circumstances, is not able to complete all the assignments at the scheduled end of the term. All overdue work must be completed **within the first two (2) weeks of the following term**. If work is not completed, the student's grade on those assignments will *automatically* be changed from an "I" to an "E."

SERVICE LEARNING

Service Learning is a graduation requirement. Service Learning is a teaching/learning method that connects meaningful service with academic learning, personal growth and civic responsibility. Through service, students will understand their connection to others and to society. Students will also understand how and why contributions and service are helpful to society. A detailed outline of specific requirements and guidelines can be found on line, in the curriculum handbook and in the Career Resource Center.

Service Learning hours completed during the school year need to be turned in no more than 60 days following the completion of the activity. Service Learning hours completed during the summer break must be turned in no later than September 30 of that year.

In order to walk at graduation: All service hours must be logged using the Career Center tracking system **no later than the Friday after spring break of the student's senior year.**

In order to receive a diploma: All service hour must be logged using the Career Center tracking system no later than the last school day in June of your senior year.

TESTING OUT

Any student, grades 9-12, is permitted to test out of any required or pre-requisite course in order to take higher level courses.

For each testing out date, it is strongly recommended students test out of only two 10-week term courses for a total of one full credit. Due to the extensive curriculum material for each class period, it is extremely challenging for students to successfully test out of additional courses.

- The application deadline for the December testing out exams is October 15, and the deadline for the May testing out exams is March 15.
- Students may only attempt to test out of the same course one time.
- Test out assessments will be handled as follows (scores will not be rounded):
 - **Scores below 80%** are not proficient, and the student will be required to take the course for high school graduation credit. The attempt to test out will not be reflected on their transcript.
 - **Scores 80% or higher** demonstrate content mastery of the course, and the student will be given high school graduation credit or prerequisite credit, and a grade of "P" for passing will be indicated on the student's transcript.
- Once the student has successfully completed the testing out process, with an 80% or higher, they will be allowed to enroll in a higher level course in that sequence. He or she may not enroll in a lower level course in the same subject matter sequence.
- A grade of a "P", depending on the final grade, will not be included in a computation of grade point average for any purpose.

- All testing out assessments will evaluate the same performance expectations as stated in the course syllabus. The assessments may include one or more of the following:
 - Written Tests
 - Oral Tests
 - Portfolio
 - Projects
 - Papers
 - Performance

All testing assessments stated above will be given the second Wednesday of December and the second Wednesday of May.

- Be aware, NCAA Clearinghouse will not recognize testing out credits when determining eligibility for Division 1 or Division 2 College athletes.

REVIEW OF INSTRUCTIONAL MATERIALS

Parents have the right to inspect, upon request, any instructional material used as part of the educational curriculum of the student. The parent will have access to the instructional material within a reasonable period of time after the request is received by the building principal. The term instructional material means instructional content that is provided to a student, regardless of its format, including printed and representational content that is provided to a student, regardless of its format, materials in electronic or digital formats (such as materials accessible through the Internet). The term does not include academic tests or assessments.

ENGLISH LEARNERS

Limited proficiency in the English language should not be a barrier to equal participation in the instructional or extra-curricular programs of the District. It is, therefore, the policy of this District that those students identified as having limited English proficiency will be provided additional support and instruction to assist them in gaining English proficiency and in accessing the educational and extra-curricular program offered by the District. Parents should contact the English Language Department Coordinators, to inquire about evaluation procedures and programs offered by the District.

ACTIVITIES - EXTRA CURRICULAR

CLUBS/ACTIVITIES PROGRAMS

Students are encouraged to participate in extracurricular activities as a means to engage with the school at an elevated level, prepare for post-secondary education and the workforce, and to have a more enjoyable experience at Lake Orion High School.

A full listing of extra-curricular clubs and activities are available on the LOHS website, under the “Students” section.

SCHOOL SPONSORED ACTIVITY POLICY

1. A facility use application must be completed and presented to the principal or designee for review and approval at least 15 working days or three weeks prior to the desired date(s) of use.
2. The club or class responsible must pay any damages resulting from the activity.
3. A clean-up committee must be appointed before using the gym or cafeteria and is responsible for cleaning up all areas used.
4. Every activity must be chaperoned by an appropriate number of faculty members. One of these chaperones should be the advisor. Parents are also encouraged to chaperone, provided they have completed the district process for adult chaperones, forms available on the LOHS website or by calling the main office.

LAKE ORION COMMUNITY SCHOOLS EXTRA CURRICULAR ACTIVITIES CODE

A Message to Students and Parents:

The Lake Orion School District believes that a dynamic program of student activities is vital to the educational development of its students. The activities provided should offer opportunities to serve the institution as well as assisting in the development of fellowship, school spirit, community goodwill and personal growth. Ultimately, the program’s participants will develop positive citizenship traits, which will serve them well today and in the future. A properly controlled and organized program of ECA meets the student’s needs for self-expression and growth.

In order to be a member of school sponsored extra-curricular activities (ECA), it must be understood that the student not only represents his/herself but also the group, the school, the community and his/her family.

It has been established that participation in ECA for Lake Orion Schools is not a right but a privilege. Lake Orion student activities are considered a supplement to the school's educational program. They are bound by supervisory, budgetary and participatory constraints. Thus, initiation of these programs is at the discretion of the building principal or his/her designee. A student must abide by the academic and social standards of this code and will be held responsible for their actions throughout the duration of their participation in ECA.

STATEMENT OF ETHICS FOR EXTRA CURRICULAR ACTIVITIES

The conduct of a participant is closely observed in many areas of life. It is, therefore, important that the participant's behavior be above reproach both at and away from school. Accordingly, students who participate in ECA must comply with the following Statement of Ethics:

Students who do not maintain acceptable grades may have their membership status reviewed and possibly terminated. Certain academic honors clubs, such as National Honor Society, Band and other clubs and activities, may be governed by additional, elevated academic standards.

APPEAL PROCESS

A student whose extracurricular club membership has been reduced or terminated due to Code of Conduct violations or academic problems may appeal the decision.

The following are steps for an extracurricular appeal:

ATTENDANCE PHILOSOPHY:

We believe in the value of every student being in every class every day. Regular attendance is necessary if students are to receive full benefit from their educational experiences. The benefits of class discussion, individual student participation, teacher lectures and other classroom activities cannot be made up by those who are absent. A student's academic standing may be affected by his/her absenteeism. The awarding of credit will be based upon the student's academic performance in conjunction with his/her attendance. School attendance is the joint responsibility of the students, parents, and school.

ATTENDANCE POLICY:

A student who exceeds ten (10) absences in a ten-week term could face the following consequences:

- Parent/student conference with an Administrator and/or letter documenting excessive absences
- Student may be denied the opportunity to make up work (including assignments and assessments) that were assigned or due during absences at/beyond ten (10), and/or lose credit for the course.

Students who are truant/skipping will receive the appropriate consequence according to the school demerit policy located in the student code of conduct section of this handbook. (Page 69).

Pre-arranged/Long Term Absences: Extended absences are strongly discouraged; however, a student may be granted an advanced excused absence when the parent/guardian feels it is necessary and no other arrangements can be made. **After notification by a parent/guardian, an advanced excuse form should be obtained from the attendance office one week prior to the absence to allow the teacher and student the opportunity to make arrangements to complete assignments.**

Early Dismissals: Students are not to leave school for any reason without an EARLY DISMISSAL PASS from the Attendance Office. An Early Dismissal Pass requires a parent/guardian to call the Attendance Office or log the request in the School Dismissal app prior to the student's exit from the building. School Dismissal Manager is the preferred method of reporting an early dismissal. Students leaving without prior authorization from the Attendance Office will be recorded as absent from classes missed. Parents are encouraged to call in prior to 12:00 pm for their child on the day of the early dismissal. An early dismissal pass should be picked up in the attendance office. The attendance office can be reached at 248.693.5424 or 248.693.5428.

Expulsion: Long term exclusion from the right to be present on school premises.

The district will provide a form for the certified physician who is either an M.D. or a D.O. or a licensed physician's assistant to complete before the start of services. A release of information may also be necessary to communicate with the certifying physician.

Parents should notify the school if their child has a medical condition that prevents them from physically attending school during the school year or restricts their child to be home during the school hours. Homebound can be put in place for these situations that will result in a loss of more than five consecutive school days.

The school district is required to provide a minimum of two 45-minute instructional periods per week for general education pupils; or, a minimum of two nonconsecutive 60-minute instructional periods per week for pupils with an IEP. If more than five minutes late, students are marked “**A**” (absent) for the class. This applies to all class periods with the exception of 1st period. For 1st period only if less than 10 minutes late students receive a “**T**” (tardy). If more than 10 minutes late to 1st period students are marked absent for the class. The school messenger system will call the student's home the day of each absence.

CONSEQUENCES FOR TARDIES:

Missed/skipped consequences will result in additional consequences.

- First Tardy = Warning, parent/guardian notification
- Second Tardy = Warning, parent/guardian notification
- Third Tardy = Warning, parent/guardian notification
- Fourth Tardy = Warning, parent/guardian notification
- Fifth Tardy = 60 minute detention, parent/guardian notification
- Sixth Tardy = Verbal student warning, parent/guardian notification
- Seventh Tardy = 2-hour detention, parent/guardian notification
- Eighth or more Tardies = 2-hour detention with parent/guardian contact and student meeting with administrator.

Additional tardies could result in consequences that could include but not limited to: additional detentions, parking privileges suspended, In School Suspensions (ISS), or Out of School Suspensions (OSS).

MAKE-UP WORK GUIDELINES:

Make-up work encompasses only classroom assignments and/or assessments that are required to be turned in for a grade.

1. Making up course work following an absence:

A. How much time shall be allowed for the make-up of course work?

Long Term: Assignments that have due dates seven (7) calendar days or more after the date of assignment are considered “long term.”

As long as a minimum of seven (7) calendar days are provided to the student to complete an assignment, the student is responsible for completing that assignment and turning it in on the due date originally assigned. If a student has an excused absence on the due date for a long term assignment, they are expected to turn in the assignment at the beginning of the class period for which the assignment is due the day they return from being absent. For any school sponsored activity or athletic event that requires a student to attend part of their school day, the student is responsible for completing any/all assignments issued and turning them in on the due date originally assigned.

Short Term: Assignments that have due dates six (6) or less days from the time the assignment is given are considered “short term.” If a student is absent on either the date of assignment or the due date, they will receive an extra day extension on the due date equal to the number of those absences. If the student has an absence that occurs between the date the assignment is given and the due date, an extension to the due date will be given in a number of days equal to those absences only if the assignment is worked on during class on the days of those absences.

B. Shall special education students be given additional consideration?

The special education teacher responsible for the student shall, on an individual basis, determine whether special consideration need be given to

a particular student based upon that particular student's needs as per the IEPC.

NOTE: Under unusual circumstances and with the approval of the building administrator, timelines may be adjusted.

PROCEDURES FOR ABSENTEEISM:

The policy below shall be in effect with the administrator retaining the right to make adjustments in unique and extenuating circumstances.

A student's academic standing may be affected by his/her absenteeism.

1. The awarding of credit will be based upon the student's academic performance in conjunction with his/her attendance.
 - A. Student who is absent ten (10) or more class periods in a term may be withdrawn and not receive credit for that course, and/or be notified that any assignments or assessments given or due in the class on a date when the student was absent after ten (10) absences may not be submitted or made-up. The attendance office will attempt to communicate to the teacher, student, and family when a student is approaching this level of absenteeism.
 - B. In cases where a student has had credit removed in three (3) or more classes, he/she may be subject to suspension from school for the remainder of the term with subsequent loss of credit in all classes for the term. Prior to any suspension, the student shall be granted the right to an appeal as described in the Student Handbook, Appeals section.
 - C. Students are encouraged to complete assignments as a result of an absence up until the tenth absence (see section A).
2. Students transferred from one class to another will carry forward all absences from the previous class.
3. The teacher's class record book will be considered the official record of attendance. An official record of a student's attendance is detailed in PowerSchool.
4. It is the responsibility of the student to know the number of absences accumulated on his/her records.

STUDENT DISCIPLINARY CONTRACT:

Only for extenuating circumstances will a student disciplinary contract be granted and provide the student an opportunity to earn his/her way back into a class.

1. Recommendation by the building principal/designee – the building principal/designee may grant one (1) probationary contract per term to the student who has exceeded the absence limit.

In the absence of a recommendation by the building principal/designee for the probationary period, the student must follow the attendance appeals procedure.

ATTENDANCE APPEALS PROCEDURE:

Decisions on the appeal shall be final.

Student must submit in writing (signed by parent/guardian) rationale and reason why he/she should not lose credit. This written statement must be submitted to the principal with 24 hours of the student being notified or the next working day.

RE-ENROLLMENT

Students who withdraw, are dropped from Lake Orion High School rolls, or who have experienced repeated loss of credit and/or discipline without subsequent improvement, may petition to re-enroll for the following term unless other arrangements are noted. The student wanting to re-enroll must petition a building administrator for admittance. A hearing will be set up at which time the administration and counselors will decide whether or not to accept the student for re-enrollment at Lake Orion High.

BUILDING PROCEDURES

ANNOUNCEMENTS

Announcements are made through the public address system, in-house cable TV network, website, social media, and/or by a printed bulletin.

Organizations outside of Lake Orion High School will NOT be allowed to advertise via the LOHS announcements or post publications in the school building, unless given prior approval by building administration.

Students are to refrain from using their e-mail or internet privileges for announcement purposes unless given prior approval by Administration.

ASSEMBLIES

Students should realize that an effort is being made to provide an enjoyable and valuable program, and it is each student's responsibility to show utmost courtesy while attending any program. Attendance is expected. Food, beverages, backpacks, and duffel bags are strictly prohibited inside the auditorium.

EMERGENCY DRILL PROCEDURES

Many emergency drills are conducted throughout the year. Emergency drill directions are posted in each classroom. Each student should familiarize himself/herself with the procedure to be followed during each hour of the day.

FIELD TRIP - AUTHORIZED TRANSPORTATION

Parent/guardian written permission is required for transportation of students to school sponsored activities. Only transportation authorized by the school may be used to transport students going on field trips, and all school and bus regulations apply. Under **NO** circumstances will high school students be permitted to drive other students to field trips.

FUND RAISING ACTIVITIES

All fund-raising activities at Lake Orion High School shall be governed by the following guidelines:

- Application for fund-raising projects must be made on the appropriate form available on the school website under Community.
- Approval of all projects must be obtained from administration.
- There must be a clear determination for the use of the proceeds and the handling of funds.
- It should be understood that all grants - gifts or gratuities from sponsoring organizations - resulting from fund-raising activities shall become the property of the Lake Orion Community Schools.
- All money collected over the sum of \$50 must be deposited within 24 hours.
- No consumable products can be sold in hallways or classrooms.
- An effort will be made to not hold two similar fundraisers on the same date(s).

HALL PASSES

Any student leaving a classroom during a scheduled class period must have an approved hall pass from their teacher. No student may leave the building without permission from their parents and the Attendance Office.

IDENTIFICATION CARDS

Student identification cards **MUST** be carried by Lake Orion High School students at all times on school grounds and for any school related event. Replacement of picture ID's must be obtained from the Attendance Office secretary for a fee of \$5.00.

IMMUNIZATION - BEFORE BEGINNING SCHOOL

Each student is required to have a current immunization or waiver on file with the school. Immunizations as required by The Michigan Department of Public Health include: tetanus, diphtheria, polio, measles, rubella and mumps and must be obtained prior to the start of the school year.

The required immunizations include:

1. MMR (measles, mumps and rubella): Two doses
2. DTP: Four doses
3. Polio: Three doses
4. TD booster every five years
5. Chickenpox: Two doses or current lab immunity or reliable history of disease
6. HEP B: Three doses (must at least have initial dose of series with follow-up doses required)
7. Meningococcal: One dose for children 11 – 18 years of age.

Failure to comply will result in exclusion from school.

LOCKERS

Lockers are furnished to students but remain the property of Lake Orion Schools. They are to be used for books and personal belongings. Locker visits should be planned for the scheduled passing periods.

The following rules pertain to the use of the lockers:

1. Lockers should be kept locked and clean at all times.
2. Students may **NOT** change lockers without permission from the Main Office.
3. Pornography or other inappropriate display may not be used to decorate the lockers.
4. Students may be issued a locker number and lock combination at their registration. If students forget the combination, they should report to the Main Office.
5. The Administration, with reasonable suspicion, has the right to open and inspect the contents of lockers (See Search and Seizure).
6. Random locker searches may occur at the discretion of the building administration.
7. Damage to the lockers will be charged to the student assigned the locker.

8. Students must completely clear their locker at the end of each school year.
Any remaining contents will be discarded.

LOST AND FOUND

The Lost and Found is located in the Main Office. Items left are donated to an appropriate charitable group following each term.

MEDICAL EMERGENCY CARDS

In the event of a serious injury or illness, it is important for the school to have all the necessary emergency information required listed on a **medical emergency card**. Parents/guardians are asked to complete all the sections of the card during online pre-registration. Emergency card receipt will be monitored, and students may be excluded from school for failure to submit a completed emergency card.

MEDICATION

It is the policy of Lake Orion Community Schools to cooperate with parents in dispensing medication *that has been prescribed by their doctor* to be taken during the school day. Appropriate precautions regarding medication are taken at the school and the information is treated as a confidential matter.

Before the school principal or his/her designee can administer medication, either prescription or over-the-counter, an authorization form must be on file at the school. The authorization form must be signed by a parent and the doctor, indicating the child's name, what medication is being taken, the purpose of the medication, the proper dosage, dates the medication is to be taken and any possible reactions.

All medication is kept locked in the office and must be in the container issued by the registered pharmacist. Over-the-counter medication must be in the original container. Medication cannot be sent to school with the child. A parent or guardian must bring it to the office.

The exception to this policy is medication for such occurrences as bee stings allergic reactions or asthma inhalers, where the problem must be treated immediately. In such cases, in addition to the doctor's note, parents must provide detailed instructions in writing to be kept on file in the attendance office.

The school **WILL NOT** provide pain, aspirin, cold/cough, or other medications and **CANNOT** administer such without written authorization from the doctor.

PARKING PROCEDURES

The parking fee is \$70 (\$45 for the 10th grade lot), with decreases starting term 3. Individual parking spaces will not be assigned, and parking will be in an open format. Students will park on a first come-first serve basis. Driving a vehicle to school comes with additional responsibilities.

Loss of Parking Privileges may result following the below guidelines.

Level 1: Loss of parking privileges for 1 to 9 weeks:

- Attendance violations
- Illegally-parked vehicles

- Parking in faculty, custodian, athletic, pool, visitor, or their non-assigned student parking lots
- Closed campus violation

Examples may include but are not limited to profanity, sexually suggestive graphics, symbols that are associated with racist or bigoted movements, or graphics that promote alcohol or drug usage.

Level 2: Loss of privileges for 1 term (10 weeks):

- Financial restitution may be required for damage to vehicles, grounds (sod, etc.), signs, structures, etc. if damaged by a student's car.

Parking and/or driving tickets may be issued by the Oakland County Sheriff's Office for improperly parked vehicles or for driving violations in lieu of or in addition to the above consequences.

Additional Rules for Parking Pass

1. Loss/Theft: LOCS is not responsible for damages or loss/theft of the automobile or its contents.
2. Refunds: There are no refunds, including for revoked privileges, moving, or change in free/reduced lunch status.

3. Transfers: Students who transfer out of LOHS must turn in their parking pass.

6. Siblings: Siblings are permitted to purchase one pass per vehicle driven to school. Two vehicles require two passes.
7. Other: Administration reserves the right to revoke parking privileges for any student for any reason, including excessive discipline issues, poor attendance, or academic performance.

SCHOOL HOURS

School hours are from 7:00 AM to 3:00 PM. Students in the building before or after school hours must be accompanied by an adult supervisor and must remain in approved locations.

SEARCH AND SEIZURE

Searches are a legal and important component of preventing drugs from entering the school setting. The law is very clear that appropriate school officials may conduct a search upon "reasonable suspicion" that a student possesses and/or has transported mood-altering substances of an illegal nature onto school property.

The District will continue to search lockers when reasonable suspicion exists. A periodic general inspection of school lockers by school authorities may take place at any time during the school year without notice and without student consent. Furthermore, a locker inspection may be targeted to a specific locker or lockers if there is reasonable suspicion to believe the lockers contain any mood altering substance.

The District will also conduct periodical general inspections of school desks by appropriate school authorities at any time during the school year without notice and without student consent. In addition, a desk inspection may be targeted to a specific desk or desks if there is reasonable suspicion to believe the desks contain any mood altering substance. It is important to note that student lockers and desks are school property and remain at all times under the control of Lake Orion Community Schools.

A third search area involves automobiles. A student's automobile, which is parked on school property, may be searched with the student present if there is reasonable suspicion to believe the automobile contains any controlled substance.

A fourth search area involves students. If, upon reasonable suspicion a student/person and/or personal effects (e.g., purse, backpack, athletic bag and/or any other area where an illegal substance may be concealed) may be searched by a school official. A strip search, however, will not be allowed in Lake Orion Community Schools under any condition.

School authorities have used the searches previously mentioned when appropriate to conduct searches. The District will continue and become more aggressive in

conducting those searches, which are legal under the law in an attempt to drive out and/or eliminate mood-altering drugs from school property.

A student's failure to permit searches and seizures, as provided in this policy, will be considered grounds for disciplinary action. A student's person and/or personal effects (e.g., purse, book bag, athletic bag) may be searched whenever a school official has reasonable suspicion to believe that the student is in possession of illegal or unauthorized materials. If a properly conducted search yields illegal or contraband materials, such findings shall be turned over to proper legal authorities for ultimate disposition.

Firearms, weapons, stolen goods, drugs, alcohol, fireworks or explosives and any other items reasonably determined to be a threat to safety or security or which may disrupt or interfere with the educational process, will be seized by school authorities and appropriate disciplinary action will be taken.

TECHNOLOGY RESOURCES AND PERSONAL TECHNOLOGY DEVICES ACCEPTABLE USE AGREEMENT

All Student users of Lake Orion Community Schools Technology Resources and Personal Technology Devices on school property are required to sign the Student Acceptable Use Agreement in order to receive authorization to use School District Technology Resources and PTD as defined in the School District's procedures for the Acceptable Use of Technology Resources and Personal Technology Devices. The School District does not authorize any use of School District Technology Resources or PTD which is not conducted in strict compliance with this Agreement and the School District's Procedures for the Acceptable Use of Technology Resources and Personal Technology Devices.

Please see the complete Technology Agreement and Procedures on the district website. Link: [Procedures for Acceptable Use Agreement](#)

TELEPHONES

For school-related issues, students may use the telephone in the attendance office (See Code of Conduct for additional information).

TEXTBOOKS AND CALCULATORS

Textbooks required for instruction will be furnished by the Lake Orion School District. All textbooks will be distributed through either the textbook depository or the Learning Center. Students are responsible for keeping track of the exact copy of the textbook issued to him/her as indicated by the barcode on the back or spine of the book.

It is the responsibility of transferring or departing students to return their books. Failure to do so will result in the student being billed for the textbook replacement costs. Students will be charged for losses or damage more severe than "normal wear and tear." **If a student feels that the textbook issued to him/her has damage, he/she should report the damage within 24 hours of being issued the textbook.**

- a. Textbook returned but it needs a new binding: cost = 1/3 the cost of a replacing textbook.

- b. Textbook returned, there is excessive wear, but is usable: cost = 1/3 the cost of a replacing textbook.
- c. Textbook not returned, or returned but not usable: cost = full cost of a replacing textbook.

Students with outstanding book fines will not be afforded the following privileges until fines are paid: parking passes, participation in athletics or other extra-curricular clubs and activities, and receipt of graduation cap and gown (for graduating 12th grade students).

Graphing calculators can be checked out on a first-come, first-serve basis in the Learning Center. Students wishing to borrow a graphing calculator from the Learning Center will be required to place a \$20 deposit at the time of checkout. The deposit will be refunded to the student when the calculator is returned in complete and working order. At the end of each 10-week term, calculators must be returned or renewed. Calculators not returned, or returned but not usable, will be charged the cost of replacing the calculator.

USE OF BUILDING

The high school building may be used evenings for student meetings, play practice, etc., if under the supervision of one or more members of the faculty (or designee). **Arrangements for using rooms and/or parts of the building in the evening must be made by obtaining and completing a Facility Use Application form well in advance of the activity date. The form is then submitted for approval through the High School Administration.** The same student rights and responsibilities contained in this handbook apply during evening use of the building.

VISITORS

All visitors **MUST** check in and show identification at the Security Desk in the front entrance. This requirement helps to assure a safe and secure school. Students are not allowed to bring visitors to the building during school hours (7:00 AM to 3:00 PM).

Interested parents and community members are welcome to visit the building and meet with administrators and teachers. Please call the main office to make an appointment.

Visitations by students from other schools, which may or may not be in session, are not allowed unless approved ahead by administration for educational purposes.

TESTING INFORMATION

PSAT – The Preliminary SAT is offered to juniors in October and is the only means for juniors to qualify for the **National Merit Scholarship**.

STATE REQUIRED ASSESSMENTS - The **M-STEP, SAT, and WorkKeys** will be administered to all juniors in the spring. The examination will assess student's knowledge of English Language Arts, Mathematics, Reading, Social Studies, and Science. In order to graduate, students must complete all subject areas of the state required tests -- **making a serious attempt and best effort throughout**.

ACT/SAT – The American College Test (ACT) and the Scholastic Aptitude Test (SAT) are college admissions tests. While colleges across the country accept either test, it is imperative to check the admissions requirements for each college you may be interested in attending.

Advanced Placement (AP) testing is offered to students each spring. These tests provide a chance for students to earn college credit in specific areas.

ASVAB is the Armed Services Vocational Aptitude Battery, one of the oldest, most accurate, and reputable career planning tools. The battery gives students assorted ability measures and helps match ability with **interests** for possible career matches. Military services utilize the battery for recruiting; however, **students will not be recruited as a result of taking the ASVAB unless they choose to be**. Military contact information may be found in the Career Center.

CLEP – College Level Examination Program (CLEP) is a proficiency test that provides students with a proficiency test that provides students with an opportunity to earn college credit. CLEP testing is administered at LOHS and is offered to students in specific, upper-level classes which provide substantial preparation. Contact the LOHS Career Center for more information.

SCHEDULING

When planning their academic curriculum, students should:

- a. Create a realistic four-year plan that includes curriculum in their area of interest.
- b. Include curriculum choices that best prepare them for future jobs and college admission.

This process is most valuable with a cooperative effort between the student, parents, teachers and counselors.

Each student is asked to review all scheduling materials thoroughly and consult with his/her counselor on problems or concerns. Once decisions are made, the student will enter the courses through Xello into Course Planner.

SCHEDULE CHANGES

The LOHS Master Schedule is designed to meet student requests for classes. Each class and/or multiple sections of a class offered reflect a “reserved seat” for students. Schedule changes create Master Schedule conflicts and can eliminate choices for students. Therefore, **changes will only be made within the first week of the term, when the following conditions exist:**

1. Incomplete schedules
2. A class which is a repeat of one that the student has earned credit
3. The class is scheduled more than once
4. A class for which the student does not have the prerequisites
5. Graduation Requirements
6. Adjustments made for internships, work-based learning, and dual-enrolled students
7. Doctor's excuse
8. Misplacement in incorrect course level; i.e. computer error

GRADUATION REQUIREMENTS

Please refer to the LOHS website for specifics. Any student who has not fulfilled all graduation requirements will not receive a diploma. If not fulfilled by set deadlines, students **will not** be permitted to participate in **any** commencement ceremony activities.

- Students needing to make up credits should meet with their counselor for a variety of credit recovery options.

In order for a student to receive a high school diploma for the year they were supposed to graduate, they must complete their credit(s) before the beginning of the next school year.

- **Service Learning:** Students must complete the required 20 hours of service learning by the first Friday following Spring Break of their Senior year to be eligible to walk at graduation. For students who do not intend to walk at graduation, Service-Learning hours must be satisfactorily completed prior to the end of the academic year to be granted their diploma or for academic records to be released. It is a student's responsibility to ensure that all

summer service hours be entered into X2Vol before midnight on September 30th of that year. Additionally, students have 30 days from the time the service is completed to enter hours into X2Vol to be accepted towards the graduation requirement.

- **CFE Senior Interview:** Students are required to earn a passing score on a senior interview and their Senior Portfolio during their senior year in their Personal Finance class.

REPEATING A COURSE

Students may repeat a class. Both grades will be listed on their transcript; only the higher grade will be factored into the G.P.A. The student will receive an “elective” credit rather than a “required” credit for that particular academic area.

STUDENT CONDUCT

STUDENT CODE OF CONDUCT

PREAMBLE: The objective of this Student Code of Conduct is to provide a set of expectations for Lake Orion High School students, and to provide a systematic, consistent approach for handling Code of Conduct violations. It is very important for students to read and understand this code, as it is a statement of both rights and responsibilities.

INTRODUCTION: The Lake Orion Community Schools recognizes the following:

- That the primary intent of society in establishing public schools is to provide an opportunity for learning.
- That the student has full rights as delineated in the United States Constitution, the Constitution of the State of Michigan, the School Code, and other laws passed by Orion Township, the State of Michigan, and the United State of America.
- That citizenship rights must not be abridged, obstructed, or in other ways G75
- altered, except in accordance with due process of law.
- That the right to a free and appropriate education is one of these rights.

Further, this Code of Conduct must:

- Preserve for ALL students an educational atmosphere, which is orderly, safe, and conducive to effective teaching and learning.
- Promote for EACH student his or her optimum development as a responsive, productive, and self-disciplined citizen, both in school and in preparation for adulthood.
- Assist EACH student to assume more responsibility for his/her own actions as he/she matures and gains experience.

The policy that follows represents the combined efforts of students, parents, teachers, community members, school administration, and the Board of Education.

a. "If there is a clear and direct connection between the school District and any illegal incident which occurs off school property, disciplinary action may be pursued up to and including expulsion from school."

b. "If any school offense is found to be gang related the penalty can be increased up to and including expulsion from school."

DISCIPLINARY VIOLATIONS

The following factors are considered before suspending or expelling a student from school:

- The student's age
- The student's disciplinary history
- Whether the student has a disability
- The seriousness of the violation or behavior
- Whether the violation or behavior committed by the student threatened the safety of any student or staff member
- Whether restorative practices will be used to address the violation or behavior
- Whether a lesser intervention would properly address the violation or behavior

ACADEMIC MISCONDUCT/PLAGIARISM: (7-9 points)

We believe that students are in school to do their own work. We assume that any schoolwork that is turned in for credit is a result of that student's effort. Generally, plagiarism occurs any time a student turns in work, which is not his/her own. Plagiarism is defined as "stealing and passing off the ideas or words of another as one's own." Thus, plagiarism is prohibited. The use of purchased or a submittal of another's work, including authored language from the Internet, is also specifically prohibited. Students who contribute to the academic misconduct of others are subject to the same disciplinary measures; therefore, students who provide unauthorized assistance, i.e. papers to be copied, answers to tests and or copies of tests or test questions are also in violation of the policy and will have the same penalty. The use of on-line translators for work submitted by World Language students is strictly prohibited unless explicitly granted permission by the teacher.

Academic Misconduct is a disciplinary issue that will result in progressive consequences. A student's record in cumulative.

- **First Offense:** Opportunity to demonstrate knowledge on alternative assignment; disciplinary consequences may range from detention (for daily assignments, quizzes, etc.) to suspension (for cumulative or summative assessments, projects, long essays, etc.). Student may be assigned work to understand and prevent future academic misconduct."
- **Second Offense:** (and beyond) in the student's Academic Career: Student will be given an academic consequence, such as a "zero" on the assignment; standard disciplinary consequence is one to two-day suspension with assignment to understand and prevent future academic misconduct.

If a student has had a previous hearing at a prior building level (elementary/middle school), the student will receive an immediate review for a possible expulsion. It should be noted that offenses including arson, assault and battery, alcohol, bomb threats, possession of weapon, narcotics, sexual harassment, and use of pyrotechnics are also covered by federal and state laws and may result in expulsion and/or criminal charges being pursued independently of school.
- Students may earn 1 point per semester for exemplary behavior (no discipline referrals) or perfect attendance. It is the student's responsibility to present to the administrator the use of those points. The use of these points is exclusively at the discretion of the administrator.
- All points start over at the beginning of each 20-week semester unless deemed necessary by administration.

CORRECTIVE ACTION:

Reasonable effort will be made by the student, parents, and staff to solve student conduct problems within the school setting. This may include, but need not be limited to: reprimands, parent notification, confiscation of items, counseling, Circle Conflict Resolution group, work projects, parent conferences at school, reassignment of school program, probationary status, restriction or removal from activities or services, limited attendance, referral assistance, detention, in-school or out-of-school suspension and expulsion.

Resource personnel available to help resolve misconduct problems include: parents, teachers, counselors, administrators, social workers, school and county health services, school diagnosticians, extended education, family or social services agencies, police departments, and courts.

Although every effort is made to keep a student in school, under certain conditions it may be in the best interest of a student, or other students of the school, for a student to be denied the privilege of attending school and/or school functions. If it is the principal's judgment that the corrective action should take the form of separating the student from the school environment, the following categories exist:

DETENTIONS, SUSPENSIONS and EXPULSIONS:

An administrator will assign a student the appropriate consequence for rules violations. Consequences may include detentions, in-school or out-of-school suspensions, or expulsion. Students who violate the Code of Conduct at partnering institutions, such as Oakland Schools Technical Campus (OSTC), Early/Middle College, or dual-enrollment institutions will have the discipline consequence apply at LOHS. Example: A student assigned one day OSS at OSTC would be unable to attend LOHS on the same day as the OSTC suspension.

Faculty-assigned Detention

A teacher, counselor, or other member of the faculty may assign detentions during a student's lunch or before or after school in order to address minor behavior infractions, after contacting the student's parents/guardians.

Emergency Removal

A student may be removed or excluded from a classroom or a school when he/she poses a continuing danger to persons or property or represents an on-going threat of disrupting the educational process taking place in the classroom or the school premises. Such removal must be for a period of less than twenty-four (24) hours without being subject to suspension and expulsion procedures.

Restorative Practices Workshop (In School Suspension)

RPW will be used at the administrators' discretion in addition to or instead of OSS.

Teacher-Initiated Suspension (Snap Suspension)

A teacher (classroom instructor, permanent employee with an assigned caseload of students or a long-term substitute per District definition) may suspend a student from class, subject, or activity for up to one (1) full school period for certain conduct as specified in the Code of Conduct.

Short-Term Suspension

The principal or designee may impose a short-term suspension (the separation of a student from school for any part of a day or for any number of days up to and including ten days). They shall attempt to notify the student's parents/guardians of the suspension by telephone as well as send written notification by e-mail or regular mail. The written notice shall include the reasons for the suspension, the date(s) of the suspension and the rights to appeal, including this policy with the suspension notice.

Long-Term Suspension

If, in the principal's opinion or as required by statute (compliance with State/Federal law), the alleged infraction warrants a long-term suspension or (the separation of a student from school for a period of more than ten days and less than one semester), he/she shall refer the case to the superintendent along with documentation (as listed in the suspension and expulsion guidelines).

Expulsion

If, in the principal's opinion or as required by statute (compliance with State/Federal law), the alleged infraction warrants an expulsion (the separation of a student from school for a semester or more), he/she shall refer the case to the superintendent along with documentation (as listed in the suspension and expulsion guidelines).

Further, in compliance with State and Federal law, the Board shall expel any student who possesses a dangerous weapon in a weapon-free school zone or commits either arson or criminal sexual conduct in a District building or on District property, including school buses and other school transportation. This action may be taken by the Board of Education upon the recommendation of the principal and the Superintendent of Schools, after a hearing has been conducted. (Refer to "Weapons/Dangerous Objects" on page 68).

Sending a Student Home

Unless the student is an immediate threat to the safety of the school, or if the principal or designee determines that it is in the student's best interest to begin an out-of-school suspension on the same day, he/she should remain in school until class is dismissed for the day. If the situation indicates that the student should be removed from the premises, the principal (or designee) shall attempt to reach the student's parent/guardian to request they pick up their child. If they are unable to do so, the student should remain in the principal's office until school is dismissed.

The principal may forego the previous provision in the event of mass violations of school rules or where it is not possible to keep the student(s) on school grounds and restore order to protect people on school property. In such an emergency situation, the principal shall contact the superintendent.

RESPONSIBILITY FOR SCHOOL WORK

Students who are suspended out-of-school are expected to continue their studies at home.

- Credit may be given for major components of required work missed due to an out-of-school suspension provided the student completes and submits all required assignments upon return to school.

DISABLED STUDENTS

A student in Special Education must be referred to the Individualized Education Program Committee (I.E.P.C.) and those disabled under a 504 must be referred to the Special Education Director or designee to determine if the behavior is related to the disability. Its decision will determine the appropriate next steps.

DISCIPLINARY ACTION APPEALS:

Suspension of more than one (1) school day but not more than ten (10) school days may be appealed. To initiate a disciplinary action appeal, the student and his/her parent/guardian must submit a written appeal to the principal within 24 hours or the next business day of the action. Failure to do so will result in the expectation that the student will follow through with the assigned discipline. The written appeal must contain the reason(s) that the suspension is being appealed. The decision of the principal may be appealed in writing to the superintendent or designee with in two (2) school days of the parents' notification of the decision. The superintendent's (or designee's) decision shall be considered final. The student and/or parent may petition to attend school during the appeal process.

A student who has been found to have engaged in misconduct resulting in expulsion or long-term suspension in another school system, or who has withdrawn from a school system prior to a hearing on alleged misconduct, may be charged with a violation of Lake Orion Community Schools Code of Conduct as a result of the prior misconduct. All applicable due process procedures will be followed in determining whether discipline will be imposed by Lake Orion Community Schools.

The Superintendent or designee shall establish administrative guidelines, in accordance with State and Federal law and regulation, for suspension and/or expulsion for misconduct in another District.

Under the Child Protective Services Act, mandated reporters are required to report any suspicion of abuse or neglect to the appropriate authorities. The employees of Lake Orion Community Schools (LOCS) are considered mandated reporters, under this law. The employees of LOCS are not required to discuss their suspicions with parents prior to reporting the matter to the appropriate authorities, nor are they required to investigate the cause of any suspicious marks, behavior or condition prior to making a report. Under the Act, mandated reporters can be held criminally responsible if they fail to report suspected abuse or neglect. We at LOCS take this responsibility very seriously and will make all warranted reports to the appropriate authorities. The Child Protective Services Act is designed to protect the welfare and best interest of all children.

As mandated reporters, the staff of LOCS cannot be held liable for reports made to Child Protective Services which are determined to be unfounded, provided the report was made in "good faith."

FREE AND REDUCED LUNCH PROGRAM

The Lake Orion Community School District serves meals every school day. Students may be able to get meals free or at a reduced price. Applications are available at every building throughout the school year. At the high school, students may pick them up at the main/counseling office or the cafeteria. All students are encouraged to complete an application to establish eligibility.

Many of the supplemental grants and aid our school District receives from the State of Michigan and the Federal Government are based on the total number of students eligible for free and reduced-price meals. These funds enhance the educational opportunities of every student in our District.

For additional information you may contact the Food Services Department located at the C.E.R.C. Building at (248) 814-0200.

CONTROL OF CASUAL-CONTACT COMMUNICABLE DISEASES AND PESTS

Because a school has a high concentration of people, it is necessary to take specific measures when the health or safety of the group is at risk. The school's professional staff has the authority to remove or isolate a student who has been ill or has been exposed to a communicable disease or highly transient pest, such as lice.

Specific diseases include: diphtheria, scarlet fever, strep infections, whooping cough, mumps, measles, rubella, and other conditions indicated by the Local and State Health Departments.

Any removal will only be for the contagious period as specified in the school's administrative guidelines.

CONTROL OF NON-CASUAL-CONTACT COMMUNICABLE DISEASES

In the case of non-casual-contact communicable diseases, the school still has the obligation to protect the safety of the staff and students. In these cases, the person in question will have his/her status reviewed by a panel of resource people, including the County Health Department, to ensure that the rights of the person affected and those in contact with that person are respected. The school will seek to keep students and staff persons in school unless there is definitive evidence to warrant exclusion.

Noncausal-contact communicable diseases include sexually transmitted diseases, AIDS, ARC-AIDS Related Complex (condition), HIV, HAV, HBV, HCV (hepatitis A, B, C, and other diseases that may be specified by the State Board of Health.

As required by Federal law, parents may be requested to have their child's blood checked for HIV, HBV, and other bloodborne pathogens when the child has bled at school and students or staff members have been exposed to the blood. Any testing is subject to laws protecting confidentiality.

PREPAREDNESS FOR TOXIC AND ASBESTOS HAZARDS

The School is concerned for the safety of students and attempts to comply with all Federal and State Laws and Regulations to protect students from hazards that may result from industrial accidents beyond the control of school officials or from the presence of asbestos materials used in previous construction. A copy of the School District's Preparedness for Toxic Hazard and Asbestos Hazard Policy and asbestos management plan will be made available at the Board offices upon request.

BULLYING/CYBERBULLYING AND OTHER AGGRESSIVE BEHAVIOR TOWARD STUDENTS

It is the policy of the District to provide a safe and nurturing educational environment for all of its students. This policy protects all students from bullying/cyberbullying/aggressive behavior regardless of the subject matter or motivation for such impermissible behavior.

Bullying/cyberbullying or other aggressive behavior toward a student, whether by other students, staff, or third parties, including Board members, parents, guests, contractors, vendors, and volunteers, is strictly prohibited. This prohibition includes written, physical, verbal, and psychological abuse, including hazing, gestures, comments, threats, or actions to a student, which cause or threaten to cause bodily harm, reasonable fear for personal safety or personal degradation.

Demonstration of appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment or bullying/cyberbullying is expected of administrators, faculty, staff, and volunteers to provide positive examples for student behavior.

This policy applies to all "at school" activities in the District, including activities on school property, in a school vehicle, and those occurring off school property if the student or employee is at any school-sponsored, school-approved or school-related activity or function, such as field trips or athletic events where students are under the schools control, or where an employee is engaged in school business. Misconduct occurring outside of school may also be disciplined if it interferes with the school environment.

Notification

Notice of this policy will be **annually** circulated to and posted in conspicuous locations in all school buildings and departments within the District and discussed with students, as well as incorporated into the teacher, student, and parent guardian handbooks. State and Federal rights posters on discrimination and harassment shall also be posted at each building. All new hires will be required to review and sign off on this policy and the related complaint procedure.

Parents or legal guardians of the alleged victim(s), as well as of the alleged aggressor(s), shall be promptly notified of any complaint or investigation as well as the results of the investigation to the extent consistent with student confidentiality requirements. A record of the time and form of notice or attempts at notice shall be kept in the investigation file.

To the extent appropriate and/or legally permitted, **confidentiality** will be maintained during the investigation process. However, a proper investigation will, in some circumstances, require the disclosure of names and allegations. Further, the appropriate authorities may be notified, depending on the nature of the complaint and/or the results of the investigation.

Implementation

The Superintendent is responsible to implement this policy, and may develop further guidelines, not inconsistent with this policy.

This policy is not intended to and should not be interpreted to interfere with legitimate free speech rights of any individual. However, the District reserves the right and responsibility to maintain a safe environment for students, conducive to learning and other legitimate objectives of the school program.

Procedure

Any student who believes s/he has been or is the victim of bullying/cyberbullying, hazing, or other aggressive behavior should immediately report the situation to the Principal or assistant principal. The student may also report concerns to a teacher or counselor who will be responsible for notifying the appropriate administrator or Board official. Complaints against the building principal should be filed with the Superintendent. Complaints against the Superintendent should be filed with the Board President.

Every student is encouraged, and every staff member is required, to report any situation that they believe to be aggressive behavior directed toward a student. Reports shall be made to those identified above. Reports may be made anonymously, but formal disciplinary action may not be taken solely on the basis of an anonymous report. The Principal (or other administrator as designated) shall promptly investigate and document all complaints about bullying/cyberbullying, aggressive or other behavior that may violate this policy. The investigation must be completed as promptly as the circumstances permit after a report or complaint is made.

If the investigation finds an instance of bullying/cyberbullying or aggressive behavior has occurred, it will result in prompt and appropriate remedial action. This may include up to expulsion for students, up to discharge for employees, exclusion for parents, guests, volunteers and contractors, and removal from any official position and/or a request to resign for Board members. Individuals may also be referred to law enforcement or other appropriate officials.

The individual responsible for conducting the investigation shall document all reported incidents and report all verified incidents of bullying/cyberbullying, aggressive or other prohibited behavior, as well as any remedial action taken, including disciplinary actions and referrals, to the Superintendent. The Superintendent shall submit a compiled report to the Board on an annual basis.

Non-Retaliation/False Reports

Retaliation or false allegations against any person who reports, is thought to have reported, files a complaint, participates in an investigation or inquiry concerning allegations of bullying/cyberbullying or aggressive behavior (as a witness or otherwise), or is the target of the bullying/cyberbullying or aggressive behavior being investigated, is prohibited and will not be tolerated. Such retaliation shall be considered a serious violation of Board policy, independent of whether a complaint of bullying is substantiated. Suspected retaliation should be reported in the same manner as bullying/cyberbullying/aggressive behavior.

Making intentionally false reports about bullying/aggressive behavior for the purpose of getting someone in trouble is similarly prohibited and will not be tolerated. Retaliation and intentionally false reports may result in disciplinary action as indicated above.

Prevention/Training

The Superintendent shall establish a program or other initiatives involving school staff, students, clubs or other student groups, administrators, volunteers, parents, law enforcement, community members, and other stakeholders, aimed at the prevention of bullying/cyberbullying or other aggressive behavior.

Definitions

The following definitions are provided for guidance only. If a student or other individual believes there has been bullying/cyberbullying, hazing, harassment or other aggressive behavior, regardless of whether it fits a particular definition, s/he should report it immediately and allow the administration to determine the appropriate course of action.

- **“Aggressive behavior”** is defined as inappropriate conduct that is repeated enough, or serious enough, to negatively impact a student’s educational, physical, or emotional well-being. Such behavior includes, for example, bullying/cyberbullying, hazing, stalking, intimidation, menacing, coercion, name-calling, taunting, making threats, and hitting/pushing/shoving.
- **“At School”** is defined as in a classroom, elsewhere on school premises, on a school bus or other school related vehicle, or at a school-sponsored activity or event whether or not it is held on school premises. It also includes conduct using a telecommunications access device or telecommunications service provider that occurs off school premises if either owned by or under the control of the District.
- **“Bullying/Cyberbullying”** is when someone repeatedly and on purpose says or does mean or harmful things to another person who has a hard time defending him or herself.

Three key components of bullying/cyberbullying behavior are:

- An aggressive, negative behavior
- Involves a pattern or is repeated over time
- Imbalance of power

Behavior is likely to harm one (1) or more students either directly or indirectly by doing any of the following:

- A. Substantially interfering with educational opportunities, benefits, or programs of one (1) or more students;
- B. Adversely affecting the ability of a student to participate in or benefit from the school district's educational programs or activities by placing

the student in reasonable fear of physical harm or by causing substantial emotional distress;

- C. Having an actual and substantial detrimental effect on a student's physical or mental health; and/or
- D. Causing substantial disruption in, or substantial interference with, the orderly operation of the school.

Bullying/cyberbullying can be physical, verbal, psychological, or a combination of all three. Some examples of bullying/cyberbullying are:

- A. Physical hitting, kicking, spitting, pushing, pulling; taking and/or damaging personal belongings or extorting money, blocking or impeding student movement, unwelcome physical contact.
- B. Verbal taunting, malicious teasing, insulting, name calling, making threats.
- C. Psychological spreading rumors, manipulating social relationships, coercion, or engaging in social exclusion/shunning, extortion, or intimidation. This may occur in a number of different ways, including but not limited to notes, emails, social media postings, and graffiti.

Public Act No. 457 (2018) defines cyberbullying as a criminal offense. The law defines the act of cyberbullying as the following:

- (a) “Cyberbully” includes posting a message or statement in a public media forum about any other person if both of the following apply:
 - (i) The message or statement is intended to place a person in fear of bodily harm or death and expresses an intent to commit violence against the person.
 - (ii) The message or statement is posted with the intent to communicate a threat or with knowledge that it will be viewed as a threat.
- (b) “Pattern of harassing or intimidating behavior” means a series of 2 or more separate noncontinuous acts of harassing or intimidating behavior.
- (c) “Public media forum” means the internet or any other medium designed or intended to be used to convey information to other individuals, regardless of whether a membership or password is required to view the information.

The law defines cyberbullying as a misdemeanor or felony, as well as defines the consequences, which can include imprisonment up to 5 years and/or fines up to \$5,000. Further information is available at the Michigan Legislature website.

- **“Harassment”** includes, but is not limited to, any act which subjects an individual or group to unwanted, abusive behavior of a nonverbal, verbal, written or physical nature, often on the basis of age, race, religion, color, national origin, marital status or disability, but may also include sexual orientation, physical characteristics (e.g., height, weight, complexion), cultural background, socioeconomic status, or geographic location (e.g., from rival school, different state, rural area, city, etc.).

- **“Sexual Harassment”** includes, but is not limited to, any act which subjects an individual or group to verbal harassment or abuse, subtle pressure for sexual activity, persistent remarks about another person’s body, physical touching assault, or sexually suggestive objects or pictures, graphic commentaries, suggestive or insulting sounds, whistling and obscene gestures.
- **“Intimidation/Menacing”** includes, but is not limited to, any threat or act intended to: place a person in fear of physical injury or offensive physical contact; to substantially damage or interfere with person's property; or to intentionally interfere with or block a person's movement without good reason.
- **“Hazing”** includes, but is not limited to, any willful act committed individually or in concert with others for the purpose of subjecting a person to humiliation, intimidation, physical abuse, threats of abuse, ostracism, shame, or disgrace, as a rite of passage to join a group. Permission, consent, or assumption of risk by an individual subjected to hazing does not lessen this prohibition.
- **“Staff”** includes all school employees and Board members.
- **“Third parties”** include, but are not limited to, coaches, school volunteers, parents, school visitors, service contractors, vendors, or others engaged in District business, and others not directly subject to school control at inter-district or intra-district athletic competitions or other school events.
