Lake Orion High School seniors may request early graduation. As mandated by the Lake Orion Board of Education, early graduation is defined as early withdrawal from school after the completion of all required courses, credits, and service learning graduation requirements.

- Students granted permission for early graduation must have approval from administration to participate in school sponsored athletics, clubs and activities for the term(s) they are released from the high school curriculum.
- Students granted permission for early graduation may participate in prom, senior honors convocation, graduation practice, the graduation ceremony, and the senior all night party.

Students requesting the option of early graduation must understand and meet the following criteria:

2. Students interested in participating in college sports must have met NCAA requirements.
3. Students will not be eligible for dual enrollment once they stop attending classes at LOHS.
4. The student's counselor will phone the student's parent/guardian to review our early graduation procedures prior to signing this form. As soon as the counselor signs this form, the student's courses scheduled after the early graduation date will be dropped.
