Blanche Sims Elementary Annual Education Report (AER)

January 20, 2020

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2018-19 educational progress for Blanche Sims Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Mr. Kenneth Nuss for assistance.

The AER is available for you to review electronically by visiting the following web site <http://bit.ly/2HeP3bf> for you may review a copy in the main office at your child's school.

For the 2018-19 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

We have fully implemented the Multi-Tiered System of Support (MTSS) process and continue to address student needs with a three-tiered approach. We conduct data team meetings three times a year to ensure that our core instruction is meeting the needs of the grade level, and then look at individual students to ensure they are making gains. Grade level teams meet weekly to review any changes in data and make necessary changes as needed. If students are not making adequate gains, a plan is put into place and monitored. We also address students who are above grade level with individualized instruction.

State law requires that we also report additional information.

Blanche Sims Elementary and Student Enrollment

Blanche Sims Elementary is one of six elementary neighborhood schools within Lake Orion Community Schools. A neighborhood school provides enrollment to those students living within the school's boundary. Students attend school with those children who are their neighbors and playmates. This learning community provides a sense of trust and support in which children are nurtured and thrive. Parents are viewed as "partners" in the educational process.

Lake Orion Community Schools has expanded its Schools-of-Choice enrollment program to include out-of-district students for the 2018-19 school year. Spaces were available at selected schools in grades K through 8 during the 2018-19 school year. Lake Orion also accepted Schools-of-Choice students in our Learning Options High School, an alternative learning environment for students in grades 10-12.

School Improvement

The staff regularly conducts quarterly data team meetings to review the data and put interventions in place. Grade levels meet weekly to review data and make any necessary changes. We have committee meetings monthly to review our school improvement goals. The Blanche Sims School Improvement Plan may be viewed on the Blanche Sims website.

We have identified the following goals:

- Goal 1: All students at Blanche Sims Elementary will increase student growth in writing.
- Goal 2: All students at Blanche Sims Elementary will increase student growth in reading.
- Goal 3: All students at Blanche Sims Elementary will increase student growth in math.

The Blanche Sims School Improvement Plan may be viewed on the Blanche Sims website.

Specialized Schools

Our school district provides educational programs, services and support to certified special education students throughout the District. During the 2018-19 school year, there were 900 students who were in need of special education support services. From this group, eleven students required specialized services outside of the Lake Orion school district. Those students attended Waterford and Bloomfield Hills.

Our school district also runs a separate facility for students with autism, emotional impairments, and young adults with special needs ages 18-26 years old. Within the building we support students K-8 autism and K-8 with emotional impairments. The building includes 62 students in total for the 2018-19 school year. Our new programs allow the District to increase our array of services to keep our students within our community.

Curriculum

Lake Orion Community Schools continues to implement a comprehensive curriculum for all students. The curriculum is based on and aligns with Michigan Standards for all courses and subject matter, and state-mandated graduation requirements. The curriculum at Blanche Sims is synonymous with the district's curriculum. Additional information on the curriculum can be found at

<https://www.lakeorionschools.org/departments/teaching-and-learning/curriculum>

Local Assessments

At Blanche Sims we use a variety of qualitative and quantitative methods (in addition to M-STEP) to assess the whole child.

Kindergarten

Parent Participation

Parents/guardians have given a great deal of their time to support students and staff by volunteering in classrooms, on field trips, in the media center, for the PTC, and by raising funds to support school projects. Individual school-wide parent-teacher conferences are held each year and we are very pleased with the attendance of parents and guardians.

Fall Conferences

2018-2019	Boys – 256 (97.0%)	Girls – 196 (100.0%)	Total % - 98.3%
2017-2018	Boys – 261 (97.8%)	Girls – 209 (97.7%)	Total % - 97.7%

Spring Conferences

2018-2019	Boys – 247 (95.7%)	Girls – 183 (93.8%)	Total % - 94.9%
2017-2018	Boys – 242 (91.3%)	Girls – 201 (89.3%)	Total % - 90.4%

Points of Pride

The 2018-2019 school year brought many exciting events and opportunities to the Blanche Sims Community and we are very proud of all of them. For a complete listing of the Blanche Sims Elementary Points of Pride please visit our website.

Blanche Sims is a small neighborhood school that takes pride in our warm and inviting environment. We work hard to meet the individual needs of every student every day. We have incorporated Visible Thinking Routines, Mindset Strategies, and the 7 Habits of Happy Kids in our K – 5 grade classes to stretch students thinking and develop positive habits.

Sincerely,

Mr. Kenneth Nuss
Principal
