Carpenter Elementary Annual Education Report (AER)

February 1, 2021

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2019-20 educational progress for Carpenter Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Mr. Adam Weldon for assistance.

The AER is available for you to review electronically by visiting the following web site <https://bit.ly/3i4IR6V> or you may review a copy in the main office at your child's school.

For the 2019-20 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

Carpenter Elementary is proud of its achievements. We are also never satisfied and work continuously to improve. As a building, we are constantly examining our policies, developing and sharing different strategies, and working together to reach each one of our students. During this school year we will continue to evaluate what we do and how we do it in an effort to provide our students with the best educational experience possible, while maintaining our high levels of academic achievement and success. School-wide data teams meet throughout the year to monitor the progress of all students.

State law requires that we also report additional information.

Carpenter Elementary and Student Enrollment

Carpenter Elementary is one of six elementary neighborhood schools within Lake Orion Community Schools. A neighborhood school provides enrollment to those students living within the school's boundary. Students attend school with those children who are their neighbors and playmates. This learning community provides a sense of trust and support in which children are nurtured and thrive. Parents are viewed as "partners" in the educational process.

Lake Orion Community Schools has expanded its Schools-of-Choice enrollment program to include out-of-district students for the 2019-20 school year. Spaces were available at selected schools in grades K through 8 during the 2019-20 school year. Lake Orion also accepted Schools-of-Choice students in our Learning Options High School, an alternative learning environment for students in grades 10-12.

School Improvement

Carpenter has a School Improvement Committee that is comprised of teachers from each grade level, the principal, and parent representatives. The purpose of this committee is to implement a mission statement and building goal and to oversee the programs and activities leading toward the attainment of this goal. Building-level decisions are made regarding curriculum, school improvement, staff development and evaluation are determined by this committee.

During the 2019-20 school year, Carpenter staff worked on developing and implementing a variety of strategies to support our school improvement goal. School improvement subcommittees meet on a monthly basis to discuss building goals, and monitor our progress towards meeting them. Building School Improvement Plans are reviewed annually and submitted to the State.

Goal:

- All students at Carpenter Elementary will show growth in content area literacy and career readiness
- All students at Carpenter Elementary will show social/emotional awareness

The Carpenter School Improvement Plan may be viewed on the Carpenter Elementary website.

Specialized Schools

Our school district provides educational programs, services and support to certified special education students throughout the District. During the 2019-20 school year, there were 965 students who were in need of special education support services.

Our school district also runs a separate facility for students with autism, emotional impairments, and young adults with special needs ages 18-26 years old. Within the building we support students K-8 autism and K-8 with emotional impairments. The building includes 83 students in total for the 2019-20 school year. Our new programs allow the District to increase our array of services to keep our students within our community.

Curriculum

Lake Orion Community Schools continues to implement a comprehensive curriculum for all students. The curriculum is based on and aligns with Michigan Standards for all courses and subject matter, and state-mandated graduation requirements. The curriculum at Carpenter is synonymous with the district's curriculum. Additional information on the curriculum can be found at

<https://www.lakeorionschools.org/departments/teaching-and-learning/curriculum>

Local Assessments

At Carpenter we use a variety of qualitative and quantitative methods (in addition to M-STEP) to assess the whole child. Due to COVID-19 and school closures in March 2020, Spring 2020 data is not available. Proficiency is set at 80%.

Parent Participation

Parents/guardians have given a great deal of their time to support students and staff by volunteering in classrooms, on field trips, in the media center, for the PTC, and by raising funds to support school projects. Individual school-wide parent-teacher conferences are held each year and we are very pleased with the attendance of parents and guardians.

Fall Conferences

2019-2020	Boys – 238 (92.2%)	Girls – 201 (86.3%)	Total % - 89.4%
2018-2019	Boys – 187 (70.8%)	Girls – 157 (69.2%)	Total % - 70.1%

Spring Conferences

2019-2020	Due to COVID-19 and school closures, conferences were canceled		
2018-2019	Boys – 240 (90.9%)	Girls – 205 (91.1%)	Total % - 91.0%

Points of Pride

Carpenter Elementary is proud of the education we provide to our students. Our very dedicated staff, a high level of student commitment and engagement, and our parental involvement in the educational process, allows for our students to have a very rich educational experience.

I would like to thank the staff, students, and parents of Carpenter Elementary for all their support and hard work during the 2019-20 school year.

Sincerely,

Mr. Adam J. Weldon
Principal
