## Stadium Drive Elementary Annual Education Report (AER)

February 1, 2021

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2019-20 educational progress for Stadium Drive Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Mr. Rob Murray for assistance.

The AER is available for you to review electronically by visiting the following web site <https://bit.ly/2LH1y3t> or you may review a copy in the main office at your child's school.

For the 2019-20 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

State law requires that we also report additional information.

### *Stadium Drive Elementary and Student Enrollment*

Stadium Drive Elementary is one of six elementary neighborhood schools within Lake Orion Community Schools. A neighborhood school provides enrollment to those students living within the school's boundary. Students attend school with those children who are their neighbors and playmates. This learning community provides a sense of trust and support in which children are nurtured and thrive. Parents are viewed as "partners" in the educational process.

Lake Orion Community Schools has expanded its Schools-of-Choice enrollment program to include out-of-district students for the 2019-20 school year. Spaces were available at selected schools in grades K through 8 during the 2019-20 school year. Lake Orion also accepted Schools-of-Choice students in our Learning Options High School, an alternative learning environment for students in grades 10-12.

### *School Improvement*

Stadium Drive has a School Improvement Committee that is comprised of teachers from each grade level, the principal, and parent representatives. The purpose of this committee is to establish a building goal and to oversee the programs and activities leading toward the progress of attainment of this goal. Building level decisions are made regarding curriculum, school improvement, staff development, and evaluation by subcommittees, with each focused on providing the best growth outcome for their area of concentration.

During the 2019-20 school year the staff of Stadium Drive Elementary School worked on developing and implementing a variety of strategies to benefit our school improvement goal. Staff met on a regular basis to discuss the goal and design strategies to improve our areas of concentration. Stadium Drive's School Improvement Plan is reviewed annually and submitted to the State.

### *Goal:*

- All Stadium Drive students will show increased student growth in complex thinking.

The Stadium Drive School Improvement Plan may be viewed on the Stadium Drive website.

### *Specialized Schools*

Our school district provides educational programs, services and support to certified special education students throughout the District. During the 2019-20 school year, there were 965 students who were in need of special education support services.

Our school district also runs a separate facility for students with autism, emotional impairments, and young adults with special needs ages 18-26 years old. Within the building we support students K-8 autism and K-8 with emotional impairments. The building includes 83 students in total for the 2019-20 school year. Our new programs allow the District to increase our array of services to keep our students within our community.

### *Curriculum*

Lake Orion Community Schools continues to implement a comprehensive curriculum for all students. The curriculum is based on and aligns with Michigan Standards for all courses and subject matter, and state mandated graduation requirements. The curriculum Stadium Drive is synonymous with the district's curriculum. Additional information on the curriculum can be found at

<https://www.lakeorionschools.org/departments/teaching-and-learning/curriculum>

### Local Assessments

At Stadium Drive we use a variety of qualitative and quantitative methods (in addition to M-STEP) to assess the whole child. Due to COVID-19 and school closures in March 2020, Spring 2020 data is not available. Proficiency is set at 80%.

### *Parent Participation*

Parents/guardians have given a great deal of their time to support students and staff by volunteering in classrooms, on field trips, in the media center, for the PTC, and by raising funds to support school projects. Individual school-wide parent-teacher conferences are held each year and we are very pleased with the attendance of parents and guardians.

#### Fall Conferences

2019-2020	Boys – 244 (94.2%)	Girls – 239 (94.5%)	Total % - 94.3%
2018-2019	Boys – 246 (95.0%)	Girls – 247 (94.6%)	Total % - 94.8%

#### Spring Conferences

2019-2020	Due to COVID-19, conferences were canceled		
2018-2019	Boys – 249 (95.4%)	Girls – 247 (93.9%)	Total % - 94.7%

### *Points of Pride*

Stadium Drive Elementary School had numerous opportunities for students to enrich their learning and explore new venues. After-School Enrichment programs were offered every quarter, meeting a variety of interests and levels. For a complete listing of the Stadium Drive Points of Pride please visit our website.

Sincerely,

Mr. Rob Murray  
Principal
