The Board agrees that it will not discriminate against any teacher with respect to hours, wages or any terms or conditions of employment by reason of his/her membership in the Association, his/her participation in any activities of the Association or collective professional negotiations with the Board, or his/her institution of any grievance, complaint or proceeding under this agreement.

The cost of hourly personnel required, materials, equipment use, additional maintenance and other expenses related to such use shall be charged to the Association at the school district cost.

D. Listed Association Representatives and officers of the Association shall be permitted to transact official Association business on school property with members of the Association, provided that this shall not interrupt normal school operation, or interfere with the discharge of individual duties. The private and personal life of any teacher is not within the appropriate concern or attention of the Board unless such personal activities extensively reduce the effectiveness of a teacher while performing assigned duties.

J. This agreement shall not interpreted or applied to deprive teachers of professional advantages heretofore enjoyed, nor shall it deprive the Board of previously established rights and responsibilities, unless expressly stated herein.

K. The duties and responsibilities of any teacher will not be significantly altered or increased without the teacher being given an opportunity to discuss the change of duties and responsibilities with the Administration. The teacher may choose to be accompanied by the Association Representative during any such discussions.

L. The association President may, with building principal approval, be exempt from instructional duties and may leave the building immediately after dismissal of students.

Further, the Association President may leave the building during his/her conference time or when not responsible for students, with the knowledge of the building principal. In order to continue in a collaborative fashion to solve the mutual problems, the Association President needs to be accessible to the membership as well as the Administration. The District and the Association also agree that there may be times during school business hours needed to address the issues related to the collaborative efforts of both sides.
ARTICLE III - MANAGEMENT RIGHTS

The Association recognizes that the Board has the responsibility and authority to manage and direct, on behalf of the public, all operations and activities of the school district to the full extent authorized by law (i.e., SBI of 1993, P.A. 112 of 1994, P.A. 5128 of 1994) and the terms and conditions of this agreement.
ARTICLE IV - NONDISCRIMINATION CLAUSE

A. The Board and the Association agree that in matters concerning hours, wages and conditions of employment, they will not discriminate on the basis of race, color, religion, height, national origin, gender, disability, age, marital or family status, military status, ancestry, genetic information or any other legally protected category.

B. Both parties agree that in matters of administration, as well as in the discharge of individual duties, and in the processing of grievances, neither party shall be arbitrary, capricious or discriminatory.
ARTICLE V - TEACHING HOURS AND CLASS LOAD

A. Teacher hours of duty shall be:
   Seven (7) hours and forty-five (45) minutes per day

B. Starting time and completion time will be established by the Board and Administration for each building.

   Each high school and middle school teacher will be provided one (1) conference period during the student day. The length of such period for the middle school shall be the same as the regular class period. Elementary teachers (grades K-5) will be provided 225 minutes per week for planning. Each planning session will be no less than 25 minutes in duration.

C. The instructional time for all positions shall be in compliance with state requirements. The middle school teachers shall be required to teach a maximum of six (6) classes per day and the high school teachers shall be required to teach a maximum of five (5) on a 6 period student day and 6 periods per day on a 7 period student day. While 4 x 4 block scheduling exists in the high school, teachers shall be required to teach a maximum of three (3) periods per day. In a modified block schedule, teachers shall be required to teach a maximum of 4 periods per day.

D. All teachers shall be entitled to a duty free lunch period of not less than thirty (30) minutes.

E. The Board shall make every effort to schedule classes to end no later than 4:00 p.m.

F. When substitutes are not available for classroom assignments, due to teacher absences, the following steps will be taken by the Administration:

   1. Volunteers from a sign-up list will be asked to fill classroom voids.
   2. When the above step has been exhausted, teachers will be assigned on a rotating basis to fill classrooms.

   Teachers will be reimbursed at the follow rates per class periods for all such assignments:

   High School          $27.00
   Middle School     $27.00
   Elementary          $27.00

   Teachers shall accept assignments from administrative personnel during assemblies or special programs that fall during the school day without reimbursements.

   Effort will be made by Administration to maintain media center effectiveness by avoiding assignment to the media center of classes for which teachers or substitute teachers have not been obtained. In the event that media specialists are assigned to a class, in lieu of a substitute, the above rates shall apply. Under these circumstances the media center shall remain open. (Should it become necessary to place more than one class in the media center it can done only with the consent of the media specialists, who may then close the media center to general use.)
G. If an elementary teacher’s class load is increased by five (5) or more students, due to the unavailability of a substitute teacher, the teacher shall be reimbursed at the following rate per clock hour: $27.00.

H. It is mutually recognized that Art, Music, Physical Education, Industrial Technology, World Language and Special Education Instruction are necessary components of a well-rounded educational program. Therefore, every effort will be made by the Administration to obtain qualified substitute teachers when these teaching specialists are absent.

I. The Board will provide supervision to relieve all elementary teachers from cafeteria and recess duties. There will always be an assigned teacher on call. The Board will provide personnel in the secondary schools during the lunch period to assist teachers with the assigned supervisory cafeteria duties.

J. In the event that inclement weather makes it impractical to hold outdoor recess, indoor programs will be scheduled within the individual buildings. These programs will be supervised by staff associates. There will always be an assigned teacher on call for emergencies.

K. The building staff and Administration shall establish the dates and times of parent/teacher conferences consistent with the school calendar and the guidelines as established annually by the Association and Board through CMC.

L. All employees covered by this contract shall attend normal conferences per their building(s) schedule. Conflicts occurring as a result of other district commitments will require the employee to submit for approval, prior to conference, to the supervisor, an alternative equivalent schedule to make up for missed conference time. The alternative schedule must be outside of the normal teacher work day.

M. Teachers of grade DK-5 who must administer district and/or state language arts assessments, to meet state and/or district assessment requirements will be given substitute time as follows:

   DK/1 – One full day per semester
   Grade 2 – One and one half days per semester

The release time is for assessment and/or data entry. The use of the substitute will be coordinated with each building administrator.

The parties will confer from time to time for the purpose of improving the selection and use of such educational tools, and the Board undertakes promptly, to implement all joint decisions therein made by its representatives and the Association. The Board agrees at all times to keep the schools equipped and maintained with budget limitations as established by the Board. The Board shall make every effort to equalize quality and availability of materials and equipment amongst buildings.

C. The Board agrees to make available to each school duplicating facilities, a computer and printer to aid teachers in the preparation of instructional materials.

D. The Board shall make available in each building adequate restroom and lavatory facilities exclusively for teacher use and at least one room, adequately furnished, which shall be reserved for use as a faculty lounge. Private restroom facilities will be provided in existing buildings as far as it is practical if school finances permit.

E. Adequate parking facilities shall be made available for use by teachers and every effort shall be made to properly maintain them.

F. In specialized classes every attempt will be made to limit the number of students assigned to the class stations available.

G. The District will make every effort not to schedule teachers of grades 6-12 to more than three (3) preps. Home room at the high school and the STAR program at middle school are not considered preps.

If no challenges are made within the ten (10) day period, the seniority list shall be deemed to be accurate, and the Board shall incur no liability (including back pay) for relying on such a list. After ten (10) working days, the seniority list shall be frozen until reposted. No adjustment or additional accrual of seniority shall be made until the list is reposted, except that an employee who is ill or disable will not be penalized by this provision.

This supplemental compensation payable for absence necessitated by injury will be comprised of Worker’ Compensation in part, and payment of the differential by the Board to affect a combined cumulative total equal to the value of accumulated staff absence days. Only after this combined equivalent amount has been used up will absence days be charged to the teacher.

E. Staff who have been absent three (3) consecutive work days may be requested to present a doctor’s statement upon return to work. B. If the combination of governmental agencies and funeral days exceed four (4) days, excess over four (4) days shall be deducted from staff absence to the extent that such absence leave has been accumulated and, thereafter, shall be deducted from salary. Extra absence days are not accumulative. The provision does not apply to military service. Death in the family shall be interpreted to be the death of husband, wife, father, mother, son, daughter, sister, brother, grandparent, parents-in-law, sisters-in-law, sons-in-law, brothers-in-law, daughters-in-law and grandchildren. Exceptions to the aforementioned limitations shall be allowed for the utilization of absence days for legal obligations and/or funerals not covered in Section B of this Article. If an absence day is taken on the day before or after a scheduled break a doctor’s note is required.

D. Both Parties agree to continue the Exception Day allowance not to exceed 20 absences per qualifying exception days. The parties will work together to oversee the distribution of said days.

E. Additional leave days such as, but not limited to, Mentor days, Comp days or LOEA days shall not be taken prior to, or the day immediately following an Exception Day.

D. Such leaves of absence will be available only to fully certified staff members and advancements in salary step shall accrue during absence.

E. Before beginning the sabbatical leave, the teacher shall enter into a contract to return to active service in the Lake Orion Community Schools for a period of at least one (1) year after expiration of such leave. A teacher who does not fulfill this agreement shall repay to the Board with two (2) years the amount received during the sabbatical leave. This rule does not apply in cases where the person becomes incapacitated or in cases wherein the rule is waived by the Board.

F. To protect the Board against the teacher’s failure to return to his/her teacher position provided he/she is physically and mentally capable, the teacher shall execute a non-interest bearing note in the amount of the salary payable while on leave. This note shall be paid off by one of two methods:

   1. The face amount of the note shall diminish by an amount equal to one-tenth (1/10) of the original face amount for each nineteen (19) days of service rendered.

   2. The note shall, upon failure of the teacher to return to the system to teach, be payable in twenty (20) installments, beginning October 1st of the year the teacher should have returned and continuing for the next twenty-two (22) months, excluding the intervening July and August. During such payments there shall be added to each payment an amount to cover interest so that the effective rate of interest the Board receives will be seven (7) percent (7%) on the unpaid balance, effective January 1st of the year that the sabbatical was actually used.

   The teacher shall, after notifying the Board that he/she will not return, have the option of paying the note in full with no interest prior to September 1st of the school year he/she would have assumed his/her normal teaching status.

G. All such request must be submitted to the Board, in writing, My March 1st proceeding the year for which the leave is requested.

The family leave may be taken: (a) because of the birth of a child and to care for a newborn child; (b) because of the placement of a child with the employee for adoption or foster care; (c) to care for a child or spouse or a parent who has a serious health condition; (d) because of the employee’s own serious health condition; (e) a qualifying military exigency arising from the employee’s spouse, child, or parent’s active military duty or impending call to order to active duty; or to care for a covered service member with a serious injury or illness if the employee is spouse, child, parent of next of kin. If both parents of the child are employed by the district, they together are entitled to a total of sixty (60) workdays of leave and may be granted to only one (1) parent at a time.

3. Leave taken to care for a newborn or newly adopted child must be completed within twelve (12) months after the birth or adoption. Leave taken to care for a terminally ill child may be taken only once for any given child. The district may require confirmation by a health care provider of the employee’s need for family leave.

4. “Child” is defined as a biological, adopted or foster child, a stepchild, a legal ward or a child of a person standing in loco parentis, who is under eighteen (18) year of age or incapable of self-care due to a mental of physical disability. The District reserves its right under the FMLA to require any FMLA leave to run concurrently with paid or unpaid leave to which an employee is entitled under the Agreement. FMLA will run concurrently with any leave of three or more consecutive work days in a week. The leave may be paid, unpaid or a combination of both depending on the individual’s personal sick bank. All parts of the contract remain in effect when on paid leave. (If an association member is out more than sixty (60) work days and if the leave is paid then benefits are covered.) If the member is on unpaid leave, after sixty (60) work days benefits will be at his/her own expense (COBRA) or benefits will stop on the first day of the next month after the end of the sixty (60) work days. Health benefits provided under any group health plan will be continued for the duration of the leave at the level and under conditions coverage would have been provided if the employee had continued in employment during the leave. However, if the employee fails to return from leave, the employee must reimburse the district for all premiums paid during the leave.

6. An employee who plans to take family leave must provide the district with the written notice of at least thirty (30) days in advance, unless the family leave is not foreseeable, in which case the employee must notify the district of the expected leave within one (1) working day of the beginning of the leave.

7. Upon returning from family leave, the employee is entitled to be returned to the same position he/she previously held or to an equivalent position with equivalent employment benefits and other terms and conditions of employment.

I. Unpaid Leave and Employment Status

1. An employee who takes an unpaid leave for any reason covered under this collective bargaining agreement shall be considered as an inactive employee during their unpaid leave time.
ARTICLE XIV – ACADEMIC FREEDOM

When any material is placed in an individual’s personnel file, the individual shall be furnished a copy of said material forthwith and shall have ten (10) working days after receipt of the material to submit a response which shall be attached to the original material in the file. The teacher must sign the material, which indicates that he/she knows that such material will become a part of his/her personnel file, but does not indicate agreement with the content.

B. Upon request, an administrator will be review the contents of an individual teacher’s personnel file with the teacher. Certain confidential information such as furnished by the College Placement Office will be withheld. A representative of the Association may, at the teacher’s request, accompany the teacher during the interview.

C. Any materials in the personnel file of the teacher may be challenged by the teacher for substantiation. If such challenge demonstrates that such material cannot be substantiated, it shall be removed from the file. Such challenge shall occur within twenty (20) working days after the teacher was notified or became aware of such material being placed in his/her personnel file.

D. The Board agrees that in the event of a Freedom of Information Act request is made by a third party, the Board shall notify the employee and the Association and assert on behalf of the employee all applicable Freedom of Information act exemptions.
ARTICLE XVI – PROFESSIONAL BEHAVIOR

A. Teachers are expected to comply with reasonable written and oral rules, regulations and directives, adopted by the Board or its representatives, which are not inconsistent with the provisions of this agreement, provided that a teacher may reasonably refuse to carry out an order which threatens physical safety or well-being, unless such order is in the interest of providing for the safety and well-being of the students. At the beginning of the school year each teacher will be provided with a list of rules and regulations that govern the building to which said teacher is assigned.

The Board shall provide the Association President with copies of administrative policies and procedures for each building and a copy of the rules and regulations of the Board. Subsequent modification or changes in these documents shall also be furnished to the Association President. Building policies and procedures, as well as rules and regulations of the Board, shall be posted in the faculty lounge of each school.

B. The Board and Association recognize that the educational program is not confined to academic pursuits alone, but includes all areas of the curriculum. The Board and Association further recognize that the success of the total educational program is directly dependent upon the quality of the teaching service and the involvement of teachers in all areas of the program. It is, therefore, agreed that teacher attendance at, and involvement in, programs conducted in their respective buildings be considered a professional responsibility.

C. It is hereby agreed and understood between the parties that the daily conference period is time set apart from classroom responsibility for teacher breaks, conferences with students and parents, planning, grading papers and attention to teacher duties.

D. Teachers who plan to leave the employ of the school district shall notify the Board of this decision in writing, as soon as possible.

E. No teacher will be required to administer any first aid or medication prescribed for a student, nor shall any teacher be required to transport any child for any reason. It is anticipated, however, that each teacher will act and react in such situations in a professional, reasonable and responsible manner.
ARTICLE XVII – PROFESSIONAL IMPROVEMENT

A. The parties support the principle of continuing training of teachers, participation of teachers in professional organizations in the areas of their specialization, leaves for work on advanced degrees or special studies and participation in community educational projects.

B. Responsibility for assignment of teachers to educational conferences shall be an administrative function and the value of such programs shall not be neglected by the Administration. The Association may make written evaluations of such programs in advance and such evaluations shall be given serious consideration by the Administration. Appointed teachers shall be reimbursed for such expense and no salary deduction shall be made.

C. Teachers attending conventions or conferences will be requested to submit a short written report highlighting the convention or conference attended so that the benefits thereof may be shared with other staff members.

D. At the request of the Association, and with the Board’s approval, arrangements shall be made for after school courses, workshops, conferences and programs designed to improve the quality of instruction. The Contract Maintenance Committee (CMC) will annually review and establish rate of pay for the extra staff development. Every effort will be made to obtain people of the highest qualifications to participate in the presentation of such programs. All teachers desiring to attend shall be allowed to do so.

E. All Lake Orion Education Association members are expected to attend the fall curriculum night (3 hours). In exchange for attending curriculum night the district will not schedule the day before Thanksgiving as a workday.

F. A mentor for each year probationary teacher during the first three (3) years of probation will be appointed for one (1) year and may be appointed. No teacher will be required to be a mentor. It is preferred that the mentor be a tenure teacher.
ARTICLE XVIII – REDUCTION IN PERSONNEL AND ANNEXATIONS AND CONSOLIDATIONS OF DISTRICTS

A. In the event of consolidation or annexation of the district, the Board or its successor, shall assure, to the full extent permitted by law, the continued application of the terms of this Agreement.

B. In the event this district shall be combined during this Agreement with one or more districts, the Board will use its best efforts to assure the continued employment of its members in such consolidated districts.

C. Seniority shall be based upon the effective date of employment. Part-time employment shall be provided with prorated credit. Sabbatical and military leaves shall not be considered as interruption of service. Seniority for unpaid leaves of absence or those teachers who have been laid-off shall be computed from the first date of employment, minus the time of such leaves or lay-off. No seniority shall accrue for persons on the lay-off or leaves except Article XII A., B., C., D., and Article XV C (only for time of disability). No other leaves shall accrue seniority.

Seniority credit will be lost if the individual retires, resigns, is terminated or refuses recall to a regular full-time teaching position.

In the event two (2) or more teachers have the same effective date of employment, the teacher whose signature on a contract occurred at an earlier date and time shall have more seniority.

D. Lake Orion requires a ZA endorsement for kindergarten teachers. The exceptions to this requirement are displaced and laid off teachers who may agree to get this endorsement by the end of the next school year.

E. In the event that the District deems it necessary to have a reduction in staffing, layoffs shall take place in conjunction with Board Policy 40000.03.

F. If an individual is not recalled from layoff for a period of three years, their employment shall be terminated and shall no longer be considered laid off.

G. The Board may lay-off teachers during the school year only in the event of the actual loss of anticipated and budgeted revenues. Under these circumstances, teachers shall be given notice thirty (30) school days prior to the effective date of lay off.
ARTICLE XIX – CONTINUITY OF OPERATIONS

A. Both parties recognize the desirability of continuous and uninterrupted operation of the instructional program during the normal school year and avoidance of disputes which threaten to interfere with such operation. Since the parties are establishing a comprehensive grievance procedure under which unresolved disputes may be settled by an impartial third party, the parties have removed the basic cause of work interruption during the period of this Agreement. The Association accordingly agrees that it will not, during the period of the Agreement, directly or indirectly, engage in or assist in any strike, as defined in Section I of the Public Employment Relations Act.

B. The Board agrees that it will not, during the period of this Agreement, directly or indirectly, engage in or assist in any unfair labor practice as defined by Section 10 of the Public Employment Relations Act.

C. Nothing in the Article shall require the Board to keep school open in the event of severe inclement weather or when other emergencies arise making attendance impractical. Students and staff will be notified of emergency closing through channels of communications determined by the Administration.

D. In the event that schools are closed for students due to inclement weather, hazardous driving conditions or other emergencies, teachers are not expected to report for duty. No loss of pay or leave days shall be incurred for such failure to report for duty. The exception to this rule is any employee on an approved multi-day leave. All days for this leave will be deducted as long as the employee was pre-approved.

E. In the event that pupil instructional days have been canceled due to conditions not within the control of the Board, then instructional days shall be rescheduled to ensure full state aid and/or compliance with state law.
ARTICLE XX – SCHOOL CALENDAR

A. B. Teachers required in the course of their regular teaching assignment to drive personal automobiles from one school building to another shall receive car allowance of current IRS rate per mile. This rate shall also apply for teachers driving their personal automobiles to attend conferences and/or fulfill other professional duties.

For teachers who are already on the Masters pay scale, there may be an occasional undergraduate class appropriate for a teacher to take to enhance the subject area for which they are delivering instruction. For a class to be considered as part of the post masters’ hours for additional pay, CMC has agreed that a teacher may submit a written request for one undergraduate class (maximum six credits) to be submitted for graduate credit. The request would need to explain why the class would enhance the teaching for the teacher. A committee consisting of two teachers and two administrators approved by CMC will consider all requests. Once approved by the committee, the credits earned in this undergraduate class would be considered as part of the post masters’ hours.

C. The salary of individual teachers shall be determined by position within the steps and categories of the salary schedule and by any of the applicable factors noted below:

1. Step positions shall be determined by allowable credit year of teaching experience. (Years of service do not equal steps.)
   a. At the time of hire teachers may be allowed credit on the Salary Schedule steps for teacher experience in any school district in the State of Michigan up to a maximum of six (6) steps.
   b. The Board may allow credit on the Salary Schedule steps for such experience as it considers appropriate.

2. Category positions shall be determined by degrees and credit hours earned, but shall be within the limits set forth in the Salary Schedule.

3. Additional compensation for extra duties shall be paid to teachers who qualify under the categories set forth in Schedule B-1.
ARTICLE XXI – PROFESSIONAL COMPENSATION (continued)

4. The Board and the LOEA recognizes the importance that non-athletic or non-music extra-curricular clubs and activities have in the development of a well-rounded student. It is further agreed that the needs of these student-based activities may vary from year to year. Therefore, the Board agrees to provide in each building money to sustain these clubs and activities. The following amounts are to be established in the first year contract and increase as necessary through the regular budgeting process:

D. The daily rate for a teacher shall be computed by dividing the teacher’s regular annual salary by 186 days, the number of days (determined by CMC) in the teacher’s school year.

Individuals hired prior to July 1, 2018 shall have their years of service as calculated and utilized to determine Longevity eligibility prior to July 1, 2018 continue into the future and the provision of ten (10) unpaid days in the previous collective bargaining agreement shall expire. This expired provision shall not be retroactive and no credit shall be granted for previously reduced unpaid days. These individuals, no matter the hire date, shall have Longevity anniversaries at the beginning of each school year based on their years credited towards Longevity as calculated through June 30, 2018.

F. Teachers who possess National Board Certification or hold a doctoral degree (PhD or EdD) will receive an annual stipend of $500 paid in the first check in December.

G. Psychologists and Speech Language Pathologist who are Nationally Certified will receive an annual stipend of $500 paid in the first check in December.

H. Other nationally certified staff members seeking additional compensation may make a presentation to CMC outlining the requirements of their certification. CMC will make a determination as to whether or not the individual shall receive a stipend.
ARTICLE XXII – SPECIAL TEACHING ASSIGNMENTS

A. The Board agrees, to the best of its ability, to maintain an adequate list of substitute teachers. Teachers shall call at least one (1) hour before scheduled reporting time or no later than 6:30 a.m., whichever is earlier to report unavailability for work. It is understood that earlier calls are desirable to ensure adequate substitute coverage. Once a teacher has reported unavailability, it shall be the responsibility of the administration to arrange for a substitute teacher.
ARTICLE XXIII – SEVERANCE PAY

A. Upon termination of employment for the Lake Orion Community Schools, teachers shall receive terminal pay at the rate of one-fourth (1/4) their unused absence days. The maximum number of days paid shall be limited to twenty-five (25) days. The per day rate shall be based on their last full contract amount.

B. After being employed for ten (10) years with the Lake Orion Community Schools and upon retirement or death, a teacher or his/her beneficiary shall receive retirement pay at the rate of one-half (1/2) of his/her unused absence days. The maximum number of absence days will be limited to fifty (50).

C. In order to qualify for the full severance payment, a teacher must provide a letter of resignation for reason of retirement not later than March 1 of the given school year or 90 days prior to the resignation effective date unless illness or other extenuating circumstances are involved. The severance amount will be reduced by a maximum of $1000 for those who do not provide this notification.

The per day rate shall be based upon the last full contract amount. To receive retirement pay, said teacher must be eligible for benefits from the Michigan School Employees Retirement Fund.
ARTICLE XXIV – STUDENT DISCIPLINE AND TEACHER PROTECTION

A. Since the teacher’s authority and effectiveness is undermined when students discover that there is insufficient administrative backing and support of the teacher, the Board recognizes its responsibility to give full support and assistance to teachers with respect to the maintenance of control and discipline.

B. It is recognized that discipline problems are less likely to occur in classes which are well taught and where a high level of student discipline is maintained. It is likewise recognized that when discipline problems occur, they may most constructively be dealt with by encouragement, praise and emphasis upon the child’s desirable characteristics. A teacher may use force as necessary to protect him/herself from attack or to prevent injury to another student as provided by the Michigan School Code of 1976, Section 380.1312 and as allowed by applicable Board Policy on Corporal Punishment.

C. A teacher may exclude a pupil from class, on a temporary basis, when the grossness of the offense, the persistence of the misbehavior or the disruptive effect of the violation makes the continued presence of the student in the classroom intolerable. In such cases, the teacher will furnish the principal, as promptly as his/her teaching obligations will allow, full particulars of the incident. Prior to the return of the student to the class where the disturbance occurred, the teacher shall be afforded the opportunity to confer with the administrator. If the teacher is not available for a conference, the temporary disposition of the student may be determined by the administration until such time as the teacher and administrator confer.

D. Any case of assault involving a teacher while performing regular or assigned duties shall be promptly reported to the Board or its designated representative. The Board will provide legal counsel to advise the teacher of his/her rights and obligations with respect to such an assault.

E. If any teacher is sued by reason of disciplinary action taken by the teacher against a student, as allowed by applicable Board Policy, the Board will provide counsel and render all necessary assistance to the teacher in his/her defense.

F. In the event that an assault is made upon a teacher by a pupil, while the teacher is on duty in the school or on school property, the Board will reimburse the teacher for any loss, damage or destruction of clothing or personal property of the teacher which is not otherwise reimbursable.

G. No final action shall be taken upon any complaint toward a teacher nor shall notice thereof be included in said teacher’s personnel file unless such matter has been discussed with the teacher concerned, who shall be entitled to representation by the Association.
ARTICLE XXV – INSURANCE PROTECTION

A. The Board shall pay a portion of the monthly premium for medical insurance and prescription which, when annualized, shall not exceed $6,344 for a single subscriber, $13,688 for a two person subscriber or $17,333 for a family subscriber. Any insurance costs beyond these capped amounts shall be paid by employees, based upon enrollment status, through payroll deduction. Additionally, any taxes or other payment, such as the Michigan insurance claims tax, which are deemed to be part of the medical cost described in PA 152, shall be included in the insurance costs paid by the employee.

The Board paid portion of the monthly premium as stated in the above paragraph for the 2019-2020 school year shall be reviewed and addressed prior to May 1, 2019 and May 1, 2020 for the 2020-2021 school year.

C. Dental

The Board shall provide for all members of the bargaining unit for full-family dental coverage at no cost to the teacher. Teachers who are not covered under another dental insurance plan shall be provided with a dental plan which is essentially equivalent to the dental program currently in effect with internal and external coordination of benefits for all teachers in the bargaining unit and their eligible dependents. The maximum annual benefit level shall be equal to one thousand five hundred dollars ($1,500).

Teachers who are covered under another dental insurance plan either through Lake Orion Schools or another employer shall be provided with a dental insurance plan which is essentially equivalent to the dental program currently in effect. This will include internal and external coordination of benefits, the maximum annual benefit level shall be equal to one thousand dollars ($1,000).
D. Life Insurance

For the duration of this Agreement, the Board shall provide, without cost to the teacher, group life insurance protection in the amount of fifty thousand dollars ($50,000) that will be paid to the teacher’s designated beneficiary. In the event of accidental death, the insurance will pay double the specified amount. Teachers under contract with the District shall have the right to participate in this insurance. Coverage shall stop with termination of employment.

E. Health Insurance Option Pak B

Teachers not electing health insurance coverage will receive a monthly payment. This payment may be annually applied to a tax sheltered annuity or a biannual lump sum cash payment, both subject to Section 125 of the IRS and will put into effect the requirements to protect both parties from adverse tax implication.

Employees hired after July 1, 2018 who have a spouse employed by the Lake Orion Community Schools shall not be eligible for this benefit.

Employees who elect this benefit must provide documentation of proof of medical coverage during the open enrollment period, or at the time of hire, from another source to the District’s Benefits department in order to receive this benefit.

F. Coverage for healthcare, long-term disability and group life insurance protection shall be provided by the Board on a pro-rata basis based upon the amount of time worked which shall include conference/preparation period, lunch period, supervision or other Board assigned work. The appropriate pro-ration shall be determined by dividing the actual time worked by a full time teacher on a daily basis. If a teacher working less than full time desires the insurance coverage, it shall be said teacher’s responsibility to pay for the difference no less than monthly in a consistent manner as prescribed by the Board.
G. A teacher not planning to return to the district in the fall who fulfills his/her contract with the Board to the end of the scheduled school year shall have continuous Board paid coverage through August 31.

The Board, no later than its next regular meeting or two (2) calendar weeks, whichever shall be later, shall hold a hearing on the grievance, review such grievance in executive session or give such other consideration as it shall deem appropriate. Disposition of the grievance in writing by the Board shall be no later than seven (7) days thereafter.

Level V

If the Association is not satisfied with the disposition of the grievance by the Board, or if no disposition has been made within the time period provided above, the grievance may be submitted to arbitration by the Association before an impartial arbitrator. Request for arbitration must be submitted within fifteen (15) calendar days of the disposition at Level IV. If the parties cannot agree as to an arbitrator with five (5) calendar days from the notification date that the arbitration will be pursued, one shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration proceedings.

2. The time limits provided in this Article shall be strictly observed, but may be extended by written agreement of the parties. Failure to observe the time limits contained in this grievance procedure, unless mutually extended, shall result in the grievance being adjusted on the basis of the disposition at the previous level. In the event a grievance is filed after May 15th of any year, the Board shall process the grievance prior to the end of the school term.

3. If an individual teacher has a personal complaint which he/she desires to discuss with a Supervisor, he/she is free to do so without recourse to the grievance procedure. However, no grievance shall be adjusted without prior notification to the Association and opportunity for an Association representative to be present, nor shall any adjustment of a grievance be inconsistent with the terms of this Agreement.
ARTICLE XXVI – PROFESSION GRIEVANCE PROCEDURE (continued)

4. If the Association decides that no grievance exists and so notifies the claimant, the teacher may continue to process his/her claim without reflection upon or support of the Association. If the Association decides there is a legitimate grievance it shall immediately process the claim.

5. A grievance may be withdrawn at any level without prejudice on the record.

6. All documents, communications and records dealing with a grievance shall be filed separately.

7. Forms for filing and processing grievances shall be designed by the Superintendent’s Office and the Association. These shall be prepared by the Superintendent and shall be given appropriate distribution so as to facilitate the operation of the grievance procedure.

8. Any information necessary to the determination and processing of a grievance shall not be withheld by the Board of Association.
ARTICLE XXVII – NEGOTIATION PROCEDURES

A. It is contemplated that the terms and conditions of employment provided in the Agreement shall remain in effect until altered by mutual agreement in writing between the parties. If, during the course of this Agreement, it becomes evident that any section of the Agreement is not workable or causes undue hardship upon either party in its application, negotiations may be reopened by mutual consent of the Association and the Board to reconsider the section presenting such hardship. The start of negotiations shall not be delayed more than thirty (30) days after the reaching of agreement on the need for negotiations unless further delay is mutually agreeable.

B. The parties shall initiate negotiations for the purpose of entering into a successor agreement by June 1 preceding the expiration date of this agreement.

C. Neither party in any negotiation shall have any control over the selection of the negotiation or bargaining representatives from within or outside the school district. While no final Agreement shall be executed without ratification by the Board and Association, the parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals and make concessions in the course of negotiations.

D. If the parties fail to reach an agreement in any such negotiations, either party may invoke mediation of the State of Michigan Labor Mediation Board.
ARTICLE XXVIII – DISTRICT SCHOOL IMPROVEMENT COUNCIL

A. District School Improvement business such as school improvement plans, state reports, accreditation standards and staff development will be presented, discussed and recommendations made through the District School Improvement Council.

B. C. Building school improvement teams will present their goals/plans to the district school improvement council for coordination.

D. Committee membership shall be reviewed on an annual basis.
ARTICLE XXIX – BUILDING SCHOOL IMPROVEMENT

A. Site-based management is the process by which the teachers at the work site jointly make decisions affecting their working conditions. B. Selection of building-level school improvement efforts shall include the entire staff and administration of the building.

C. The involvement of teachers in school improvement planning shall be voluntary and shall not require nor preclude additional compensation.
ARTICLE XXX – MISCELLANEOUS PROVISIONS

A. This agreement shall constitute the full and complete commitments between both parties and may be altered, changed, added to, deleted or modified only through mutual consent of the parties in a written and signed amendment to this Agreement.

B. Any individual contract between the Board and an individual teacher, heretofore executed, shall be subject to and consistent with the terms and conditions of the Agreement and any individual contract hereafter executed shall be expressly made subject to and consistent with the terms of this or subsequent Agreements to be executed by the parties. If an individual contract contains any language inconsistent with this Agreement, this Agreement during its duration, shall be controlling.

C. This agreement shall supersede any rules, regulations or practices of the Board which shall be contrary to, or inconsistent with, its terms.

D. If any provisions of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and consisting except to the extent permitted by law, but all other provisions and applications shall continue in full force and effect.

E. It is understood by both parties that this Agreement shall be posted on the district website.

F. This agreement is subject to the provisions of the Public Employment Relations Act, MCL 432.201, ET seq., including section 17(7) thereof, MCL423.215(7), and therefore may be rejected, modified or terminated by an Emergency Manager appointed under the local government and school district fiscal accountability Act, 2011 PA 4, MCL 141.1501 to 141.1531. This provision will be considered void in the event that the Emergency Manager Law is rescinded by the legislature or overturned by other legal action.
