Lake  
Orion  
Community  
Schools

# Current Sinking Fund

---

## Status Updates

- **District Wide Temperature Controls Upgrades:**
  - Commissioning has been completed for Oakview and Waldon Middle Schools.
  - Testing and Balancing has been completed.
  - The last of the work on this project consists of upgrades to some boiler valves and controls. This work is currently underway.
  - All other Lake Orion Community schools and buildings are complete to date.
