

Re: 2026 Senior Portraits

Dear Parents/Guardians of LOHS Seniors,

This is a notice of the guidelines regarding senior portraits. This document is two pages - please read both pages:

Plan to have your portrait taken

- Senior portraits days at LOHS will be held on August 12 - 14 from 9 a.m. - 1 p.m. in the LOHS commons. These portraits do not need to be scheduled, they are taken on a walk-in basis.
- If you cannot make it on any of those days, you can schedule a senior portrait session with MyPic at the studio in Canterbury Village. You can schedule your appointment at www.mypicphotography.com
- If you do not have a portrait taken by MyPic, we will include your Student ID picture from Student Registration.

Submission

- As the only option for a senior portrait this year is through MyPic, Scott Weiner will submit all of the senior portraits. He knows how to format the portraits for our purposes. Additionally, MyPic understands our specifications.

Format

- Senior pictures must be in color and will be printed in color. We will not use pictures that are black and white, sepia toned, or that use any color treatment.
- **Note: Photos that do not meet the specifications, or that are not taken by MyPic Photography, will not be used in the yearbook. Instead, we will use the student's Student ID photo.**

Policy

- Please note the portrait guidelines regarding the LOHS dress code.
- Should you submit a photo that does not adhere to the current LOHS dress code, we will not include it in the yearbook, we will resort to the Student ID photo taken during Student Registration. If that photo does not meet the LOHS dress code, you will be "Not pictured."
- You can opt to have your photo omitted from the yearbook – this means it will not be included, if you turn in a signed Photo Omission form stating you do not want your photo to be included in the 2026 Dragon yearbook.

Cost

- A senior portrait package can be costly, and we recognize this. This is why MyPic has agreed to take Yearbook Pose only portraits free of cost. If you do not have your portrait taken by MyPic, the Student ID photo taken during student registration is acceptable. The lighting, resolution, and background are professional. You are not required to purchase a package; the Student ID photo is free. If you wish to use this picture for the yearbook, please dress appropriately during registration.
