## ABOUT LOEF

Founded in 1990, the Lake Orion Education Foundation is a non-profit organization dedicated to mobilizing community support and resources for the Lake Orion Community Schools.

## OUR IMPACT

The Lake Orion Education Foundation funds opportunities that encourage student achievement and promote social emotional well-being for all students in the Lake Orion Community Schools. LOEF has raised and distributed over \$350,000 in funds and resources to local students and educators.

## HOW TO HELP

Your participation and/or financial contribution to LOEF will further the mission. It could inspire other LOCS parents and residents to support academic excellence.

The annual LOEF Golf Outing is the largest fundraiser.

Please consider participating and/or making a financial contribution.

Those who contribute help the LOEF make significant impact within Lake Orion Community Schools.
