Orion Oaks Update

Monthly Happenings and Updates from Orion Oaks Elementary

November and December Happenings

With the holiday season upon us I'd like to take a moment on behalf of the entire staff to sincerely thank our entire school community for all that you do to make Orion Oaks such a special school. We could not do what we do each day for our students without the support that our families and greater Dragon community shows each and every day. During this holiday season please know how much we appreciate you. Wishing you the warmest of holiday wishes.

United as Dragons.

Principal

Orion Oaks Veteran's Day Celebration

On Friday, November 9th Orion Oaks was honored to welcome students' family members who are currently serving, or who have served, in the armed services. It was truly a privilege to spend the morning thanking these individuals for their service to our country. Please see the links below for pictures and video from the day's events.
