

Dear Second Grader and Family,

Below is a suggested list of **student supplies** that would be ideal to have this year. We will be using many of these supplies on a daily basis throughout the year. Look for "Back to School" sales! **Please be sure to label every item with your initials!** This includes each pencil, marker, glue stick, etc...! **This helps when items are misplaced so we can get them back to the correct owner.** If you cannot find what you need, or have any questions, we will be happy to help you when school begins.
