

Welcome Back!

I hope that you have had a wonderful summer. I am so very excited for another school year to begin and to be working with your children. This year is going to be filled with many smiles, lots of laughter and exciting learning experiences!

With the beginning of the school year not too far away, I am sure you are thinking about back to school shopping. I have included a wish list of items at the end of this letter. Please label all personal items with your child's name; including backpacks, lunch boxes, and jackets. All students need to have a labeled change of clothes kept in their locker for emergencies. We will be having snack daily, so please send a healthy snack every day. If your child needs pull ups or wipes, please send them the first day of school.

This school year will be filled with new adventures and fun experiences. We will be reading great stories and playing exciting math games. We will be learning new things in science and social studies and you will be meeting your new grade teacher. Our class will participate in adaptive specials weekly, including physical education, media, art and music. We will also incorporate weekly technology sessions (either i-pads or going to the tech lab).

It is very important to me that we communicate frequently. I will be using binders to communicate important news, information, and to send home student work. I will check these binders daily and I ask that you do as well. You can always call the school or e-mail me as well.

The first day of school is Tuesday, September 3, 2019 and is a half day with dismissal time being 11:25 am. Busing will be in place for the first day of school. Transportation should be contacting you the week before school begins with your child's pick-up and drop-off times.

Also, mark your calendars for curriculum night Wednesday, September 11<sup>th</sup>. You will be receiving more detailed information closer to that date.

We will work hard this year as a team and it will truly be an unforgettable year! I look forward to seeing you very soon. Enjoy your last few weeks of vacation!

Sincerely,

Mrs. Myszenski

\*\*You will also be receiving a welcome letter from your general education teacher. You may choose to donate to that classroom as well, but please keep in mind that your student will not participate in all subject areas within their gen ed classroom. If you have any questions about which supplies may be needed, please contact one of your teachers. Donations are always appreciated and welcomed.

If you have any questions or concerns, you can contact me at 248.814.1724 or email [Jennifer.Myszenski@lok12.org](mailto:Jennifer.Myszenski@lok12.org). Please feel free to contact me at any time, for any reason. I believe that communication between home and school is the key to your child's success!
