Parent selects the Conference Manager

The screenshot shows the PowerSchool user interface. At the top left is the PowerSchool logo. Below it is a dark blue header with the name 'Tanner'. A 'Navigation' sidebar on the left contains icons and labels for 'Grades and Attendance', 'Grade History', 'Attendance History', and 'Email'. The main content area is titled 'Grades and Attendance: Turner' and has two tabs: 'Grades and Attendance' (selected) and 'Standards Grades'. Below the tabs is a table with columns for 'Exp', 'Last Week', and 'This Week', each with sub-columns for days of the week (M, T, W, H, F). An 'Applications' dropdown menu is open on the right, showing a table with two columns: 'Applications' and 'Description'. The table contains one entry: 'Conference Manager' with the description 'Conference Manager'. A 'Close' button is in the top right corner of the dropdown.

Applications	Description
