

## **LO Girls Fall Basketball League (Grades 5-8)**

This is a basketball league for those girls interested in learning/playing basketball. All players that sign-up will be able to participate in the league. However, **those 7th & 8th grade girls that make one of the middle school teams will not be allowed to participate in the league.** This will allow an opportunity for all girls within these grades to play basketball. Furthermore, it cultivates our program and prepares 5<sup>th</sup> & 6<sup>th</sup> grade girls for middle school basketball.

**Volunteer Parent Coaches will be needed, however LO middle school coaches will be directly working with and assisting coaches throughout the league.**

Players will practice twice a week, with a gamedays on Saturdays once they start. Games will be officiated by volunteer LOHS girls' basketball players. **Poor conduct by coaches regarding officiating will lead to dismissal from the opportunity to coach in this league.** Players will need to purchase a reversible green and white jersey if they don't already have one.

Practices will begin the week of September 8th. Practices will be each week on Mondays and Wednesdays from 6-8pm at Oakview Middle School. Gamedays will be on Saturdays, with the first gameday being September 27th and the last one on October 18<sup>th</sup>.

### **Practice Dates (Mondays and Wednesdays at Oakview Middle School 6-8pm)**
