

Kindergarten Supply List

Listed below are some of the supplies we will be using in kindergarten for remote learning. These items can be purchased or you may already have them around the house. Kindergarten is very hands-on, so we would like to make it as close to in-person learning as possible.

- 100 pack index cards (3x5 size)
- crayons
- child scissors
- Black Flair Felt Tip Pens (like PaperMate) or thin black marker (so we can see the writing)
- Optional: magnetic letters, we will only use lowercase letters in our work. Here is a lower-priced option from Amazon. Here is a great option: <https://amzn.to/2QfBFXC>

We are creating a kindergarten learning set to support our new kindergarten learners. This will include many items that we would be using face to face.
